This is where you create a new inventory. In the picture below I already entered the information of my new inventory. This can be done offline and will be public when we get internet.

Click this to see the picture in full screen.

You can upload a photo by click this button.

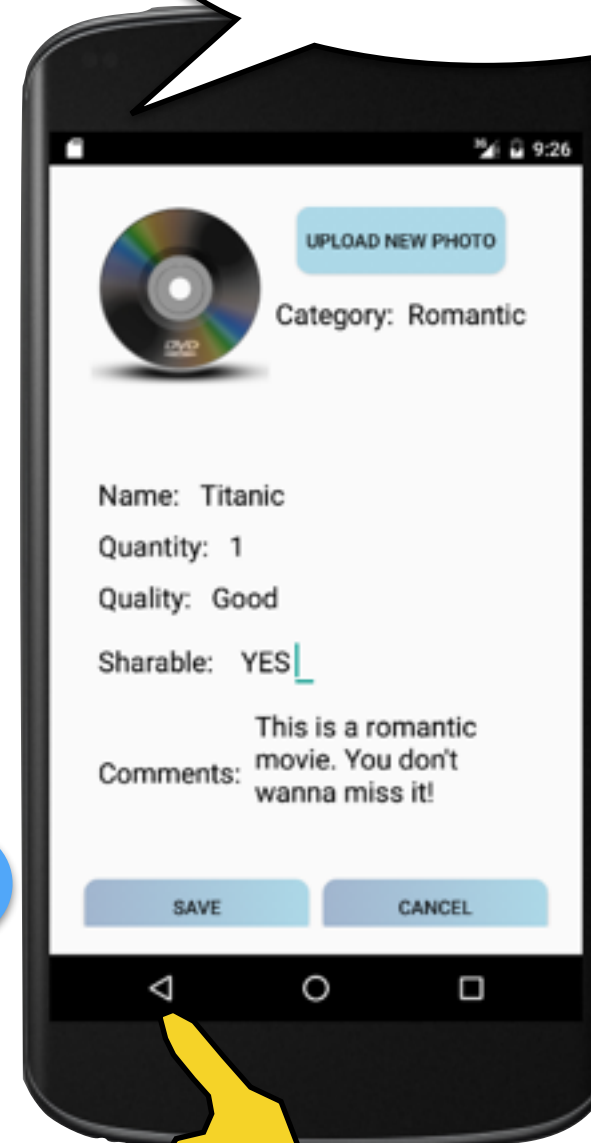

Click this to save new inventory and add to inventory list and return to My Inventory.

Click this to cancel and return to my Inventory.

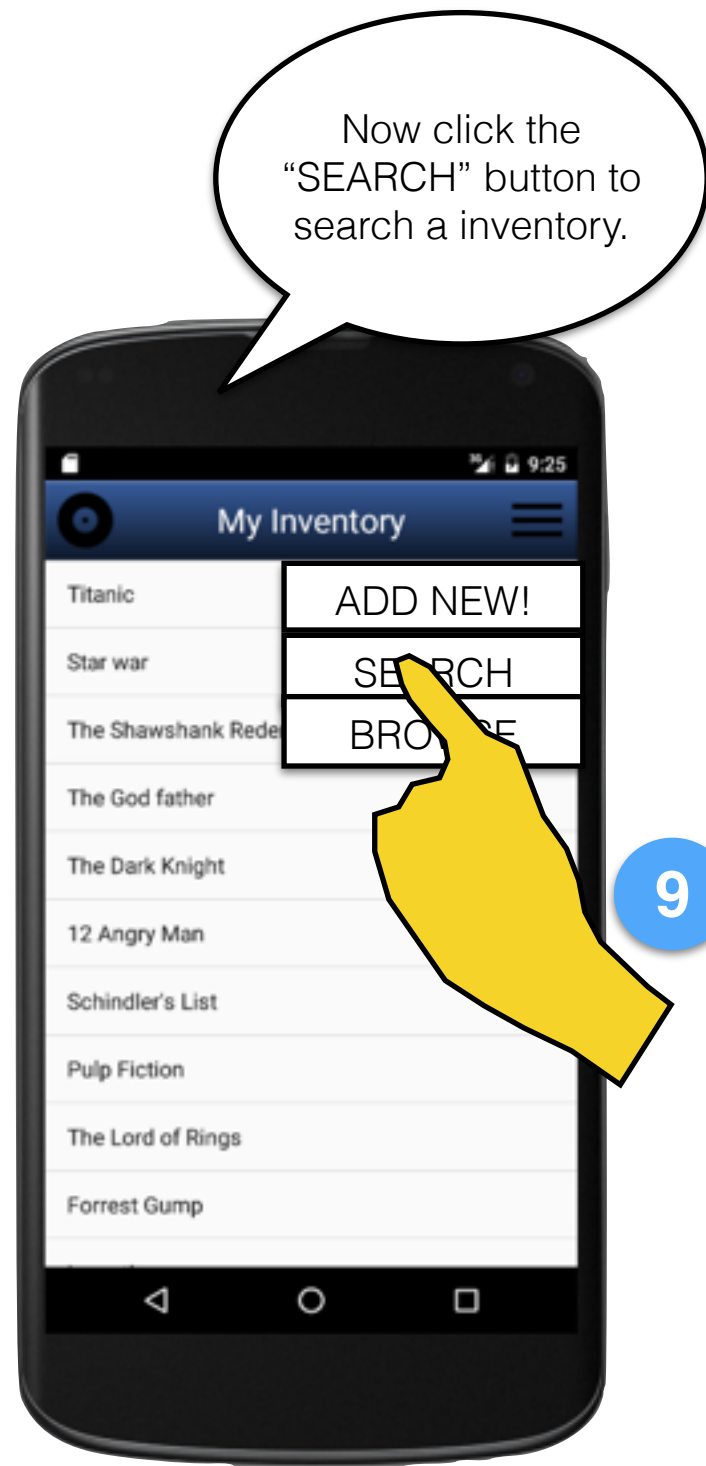

7

8

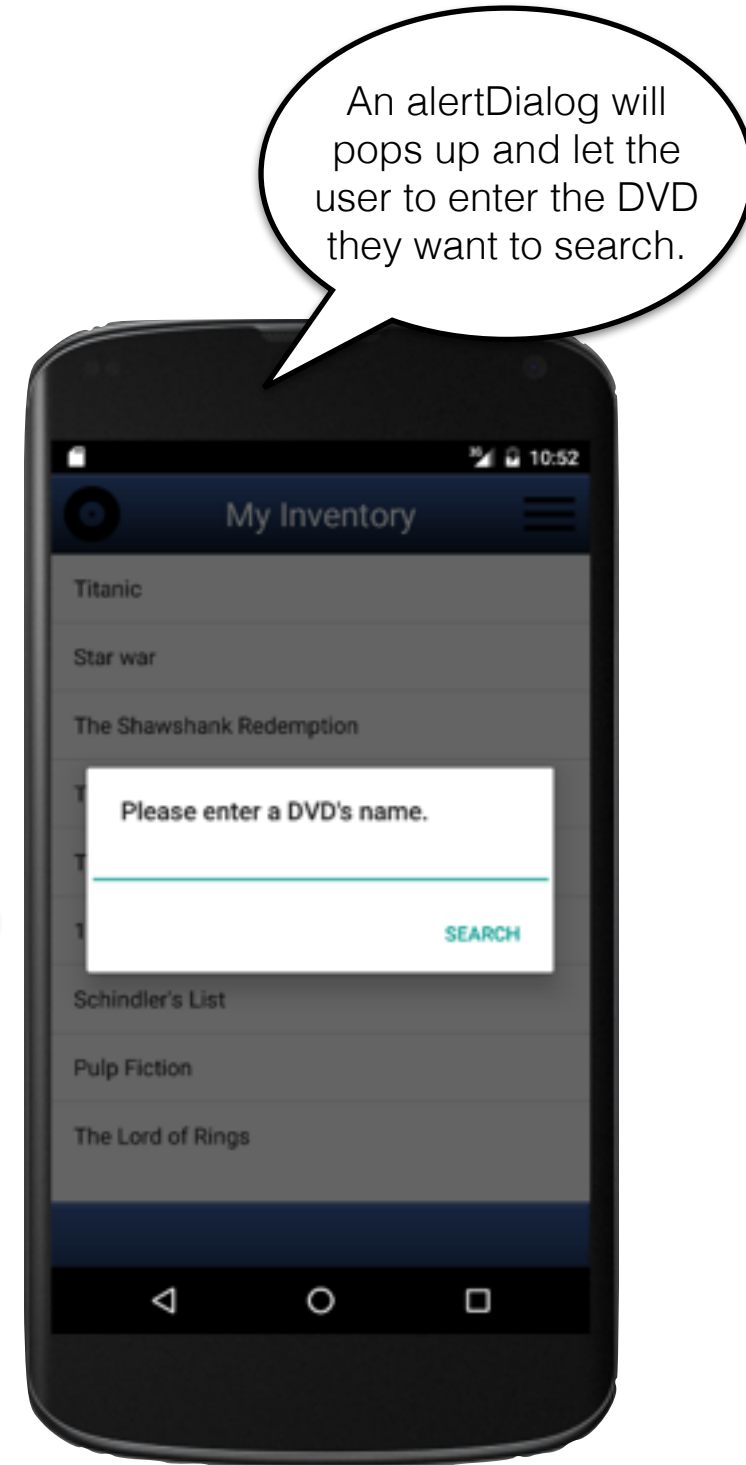

Now lets return to "My Inventory"

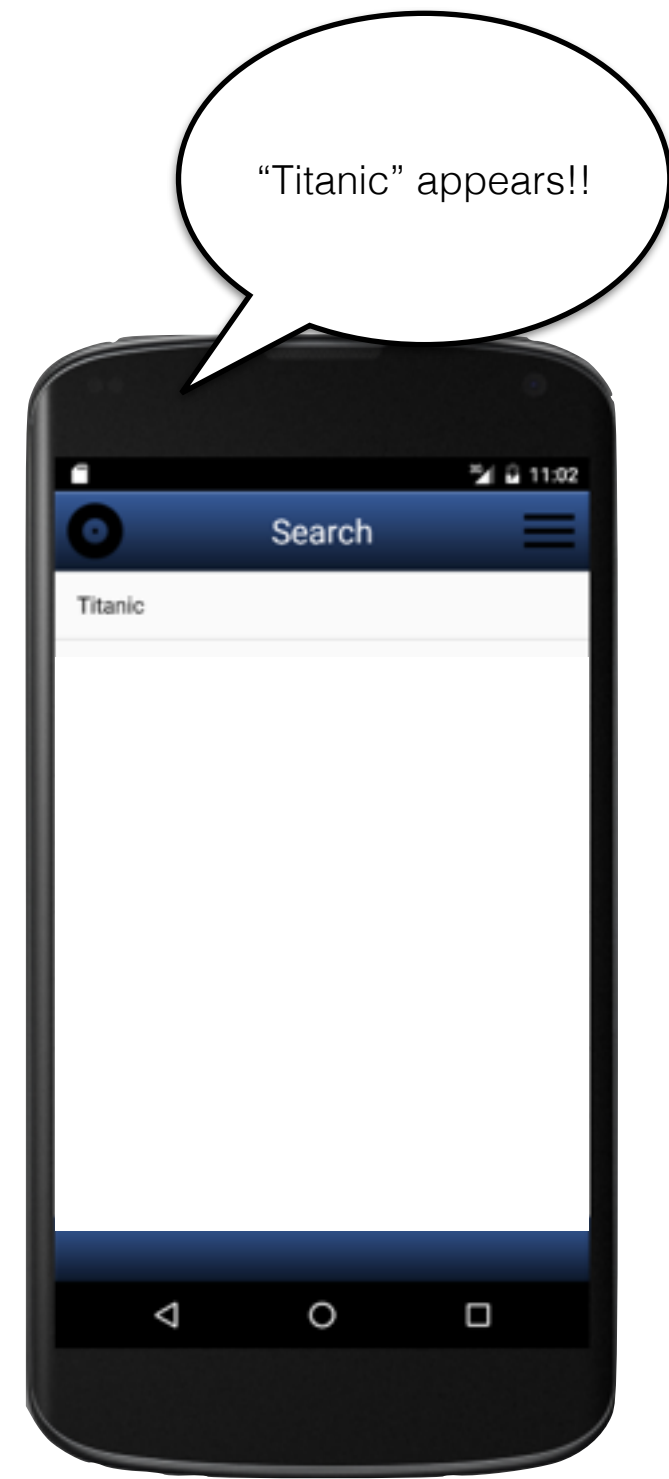

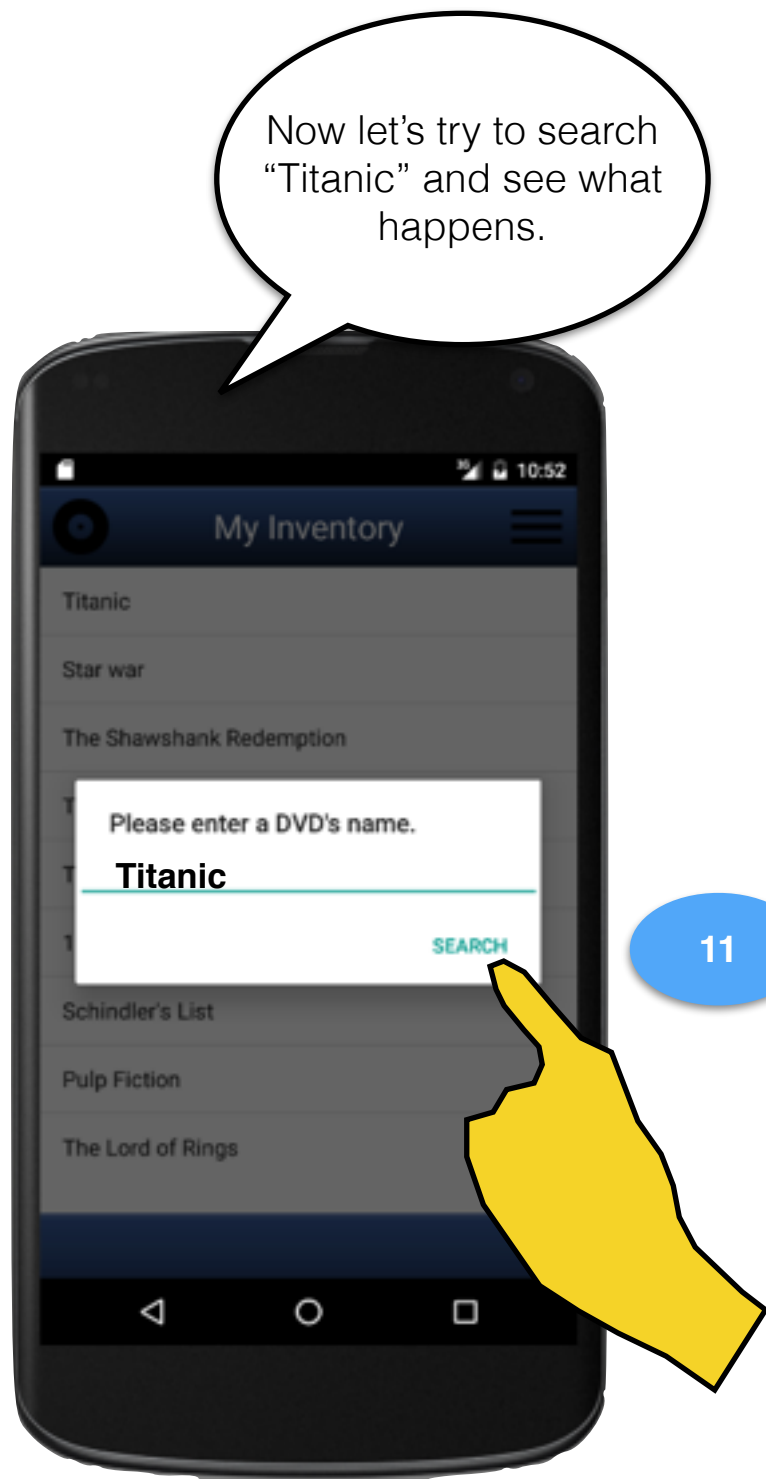

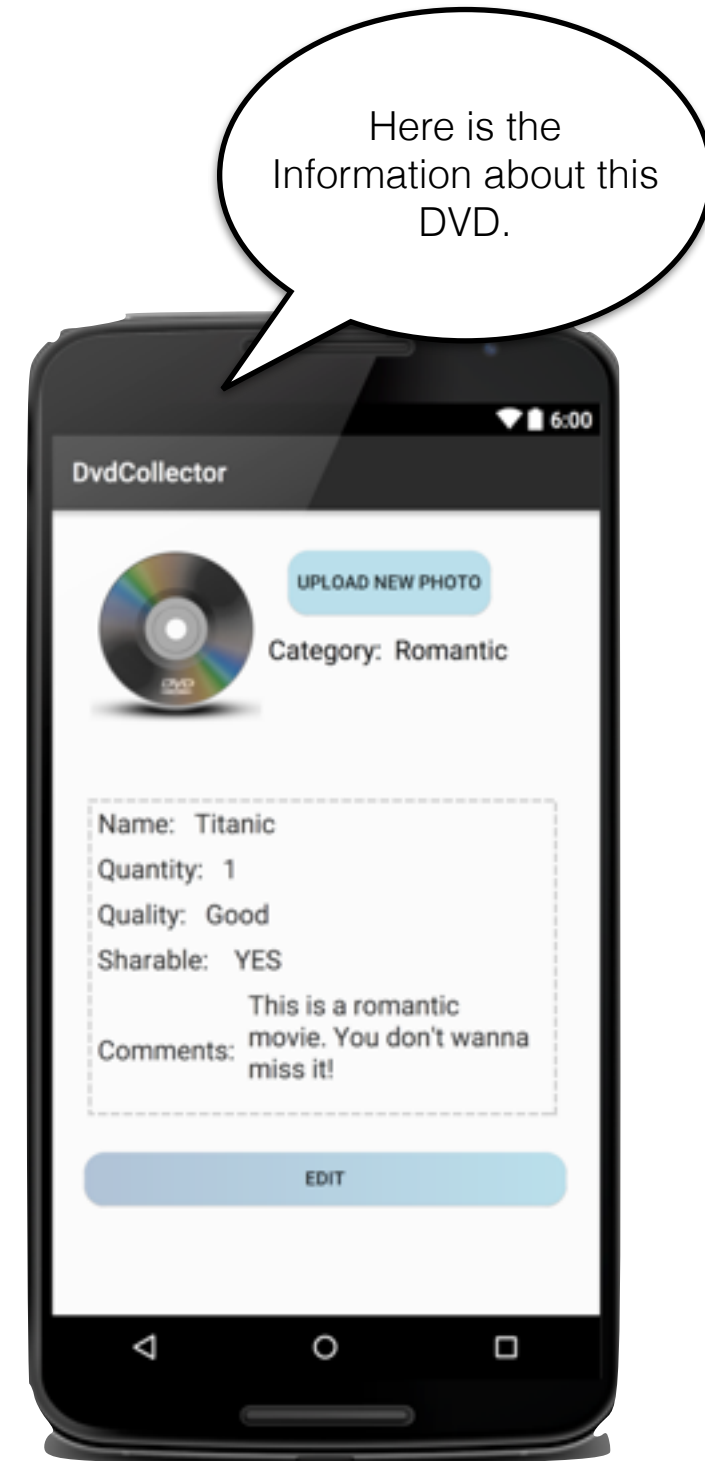

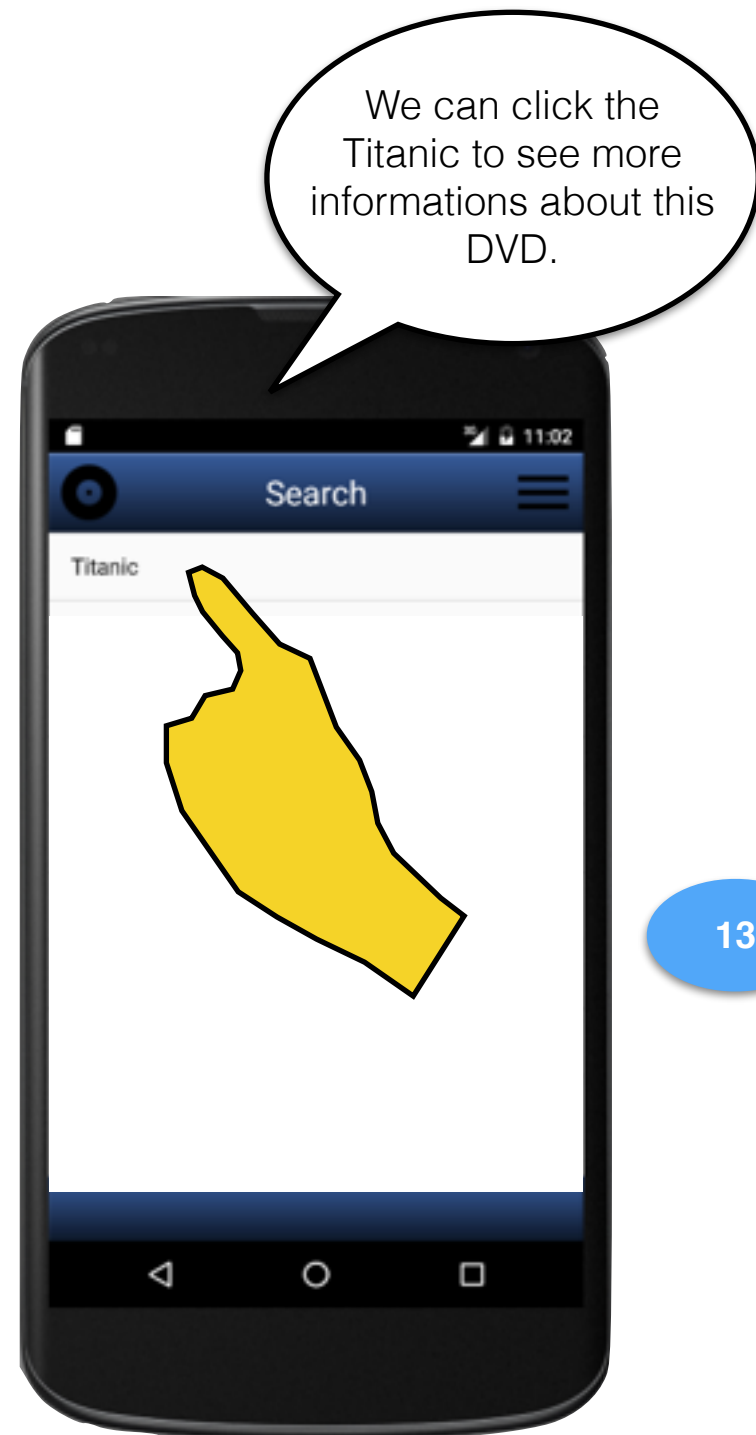

9

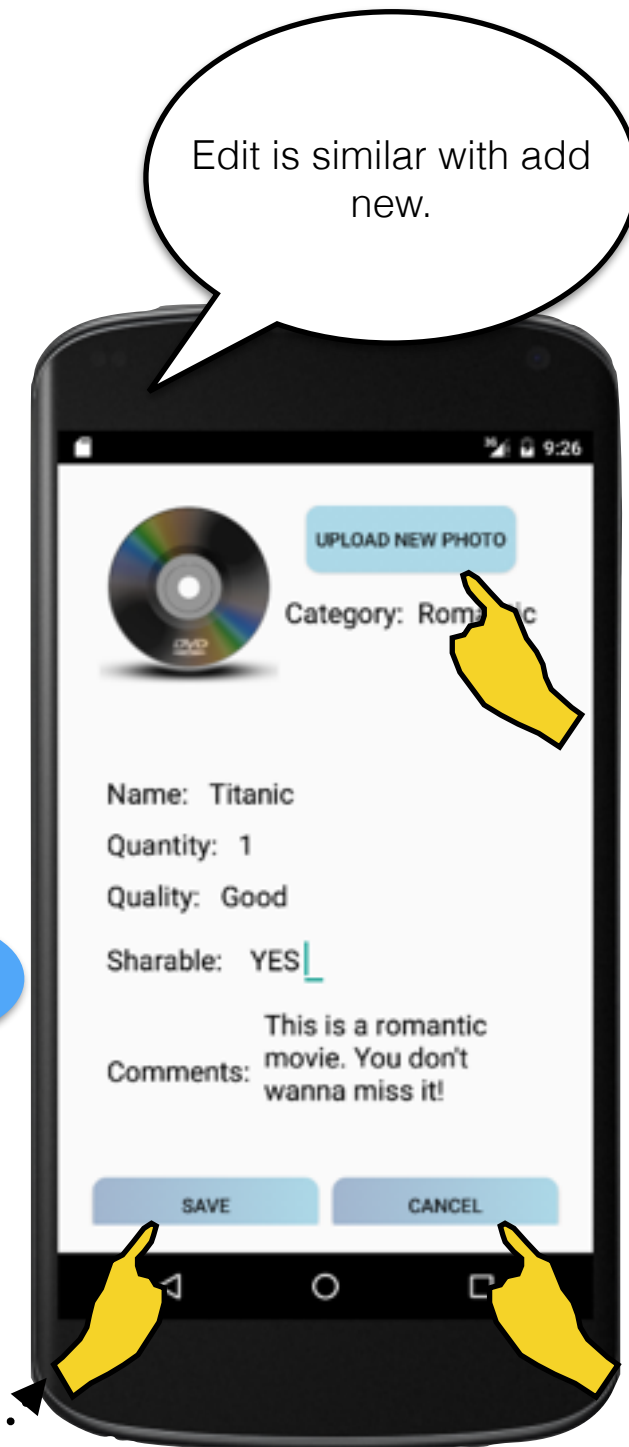

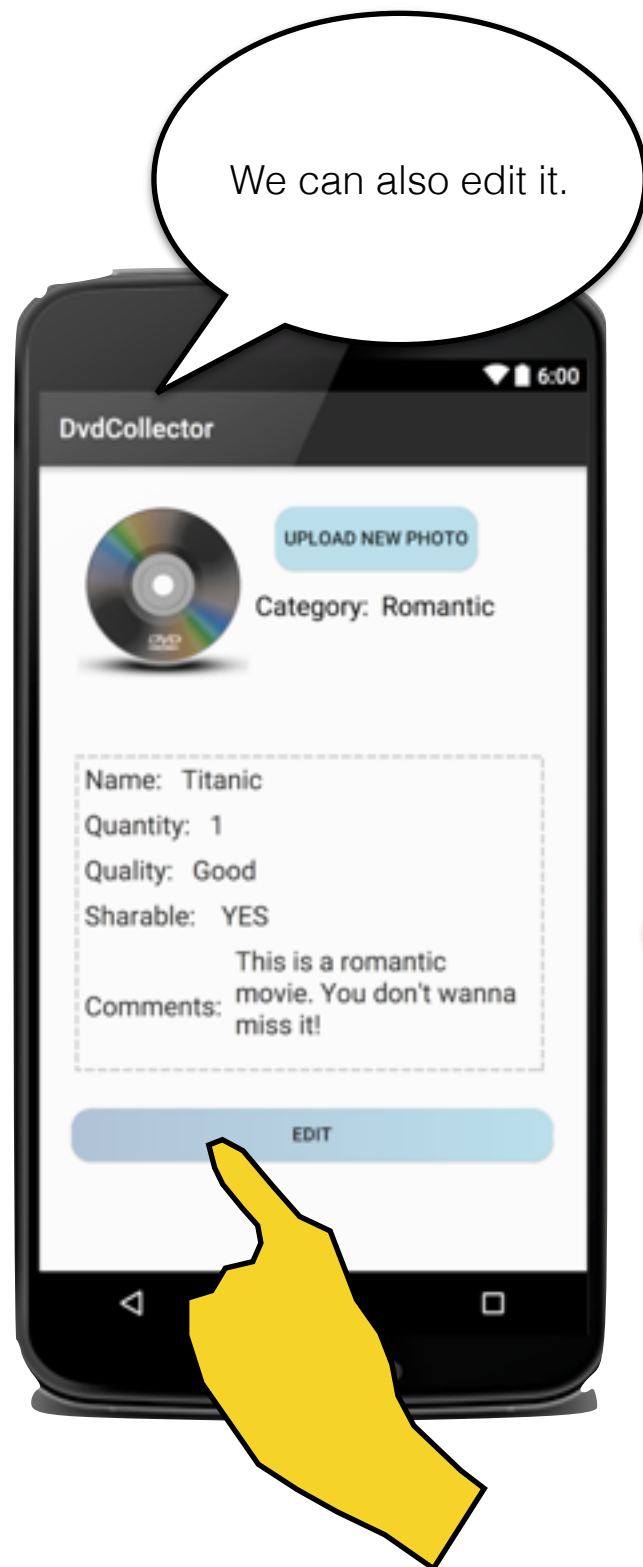

10

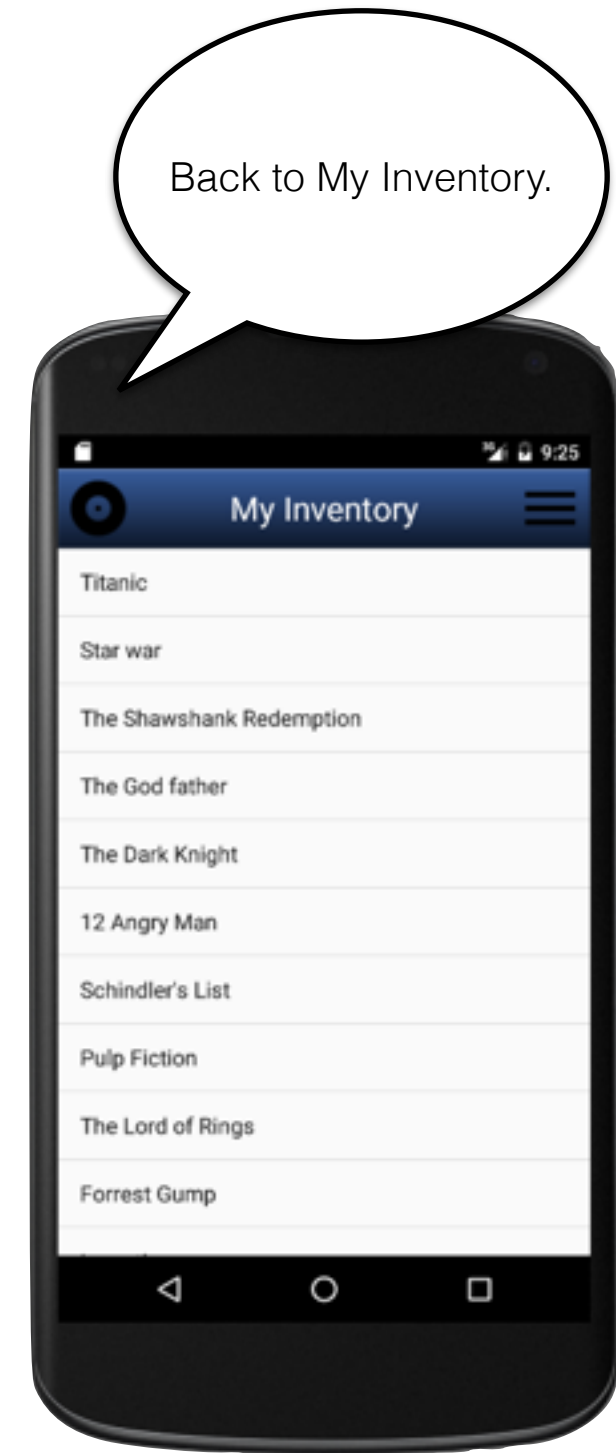

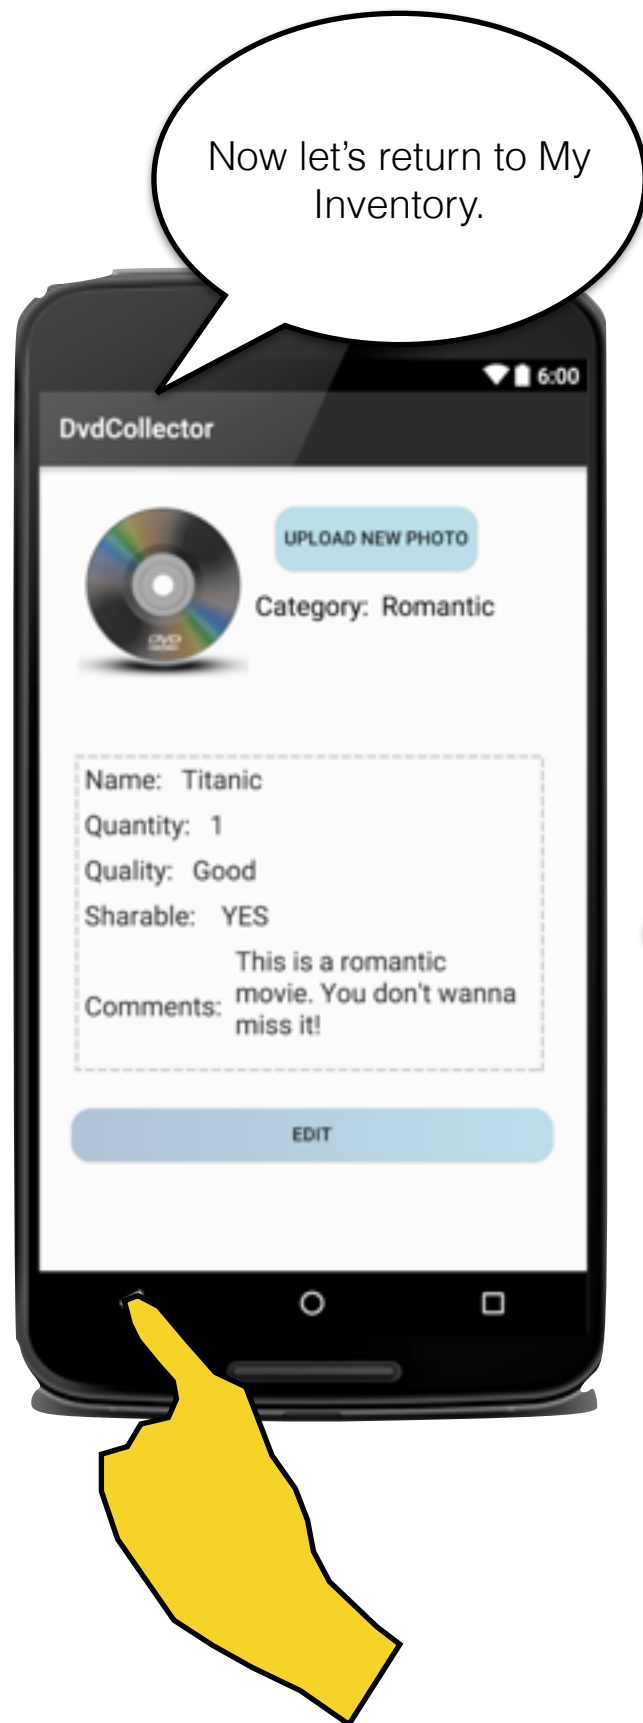

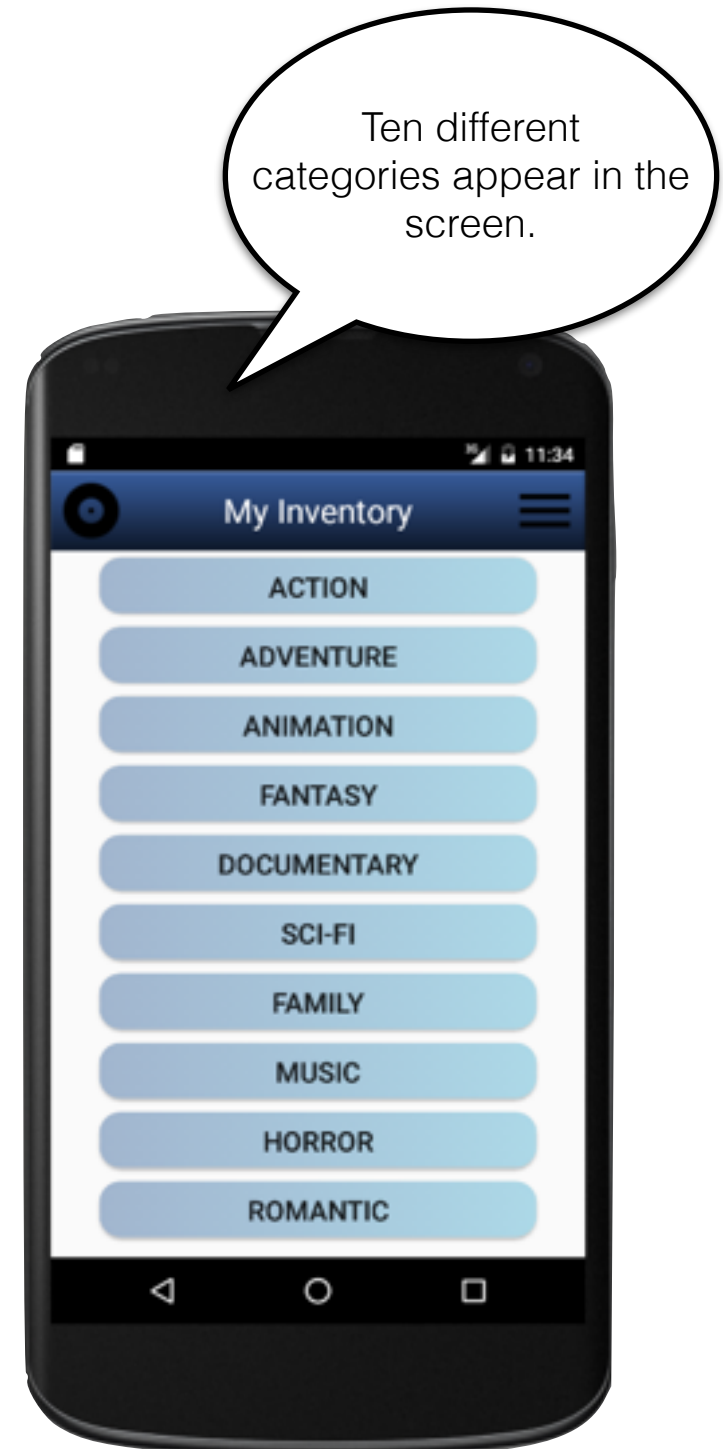

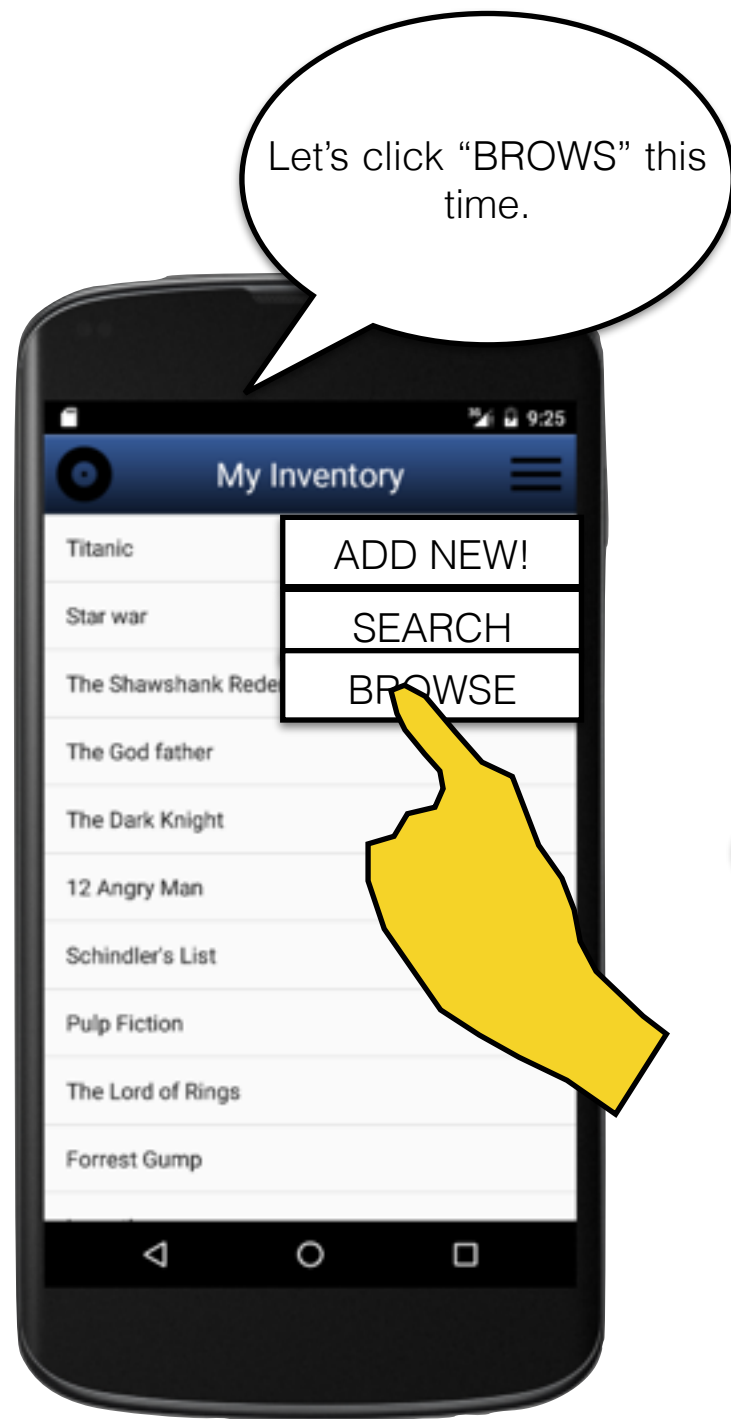

You can up load a photo by click this button.

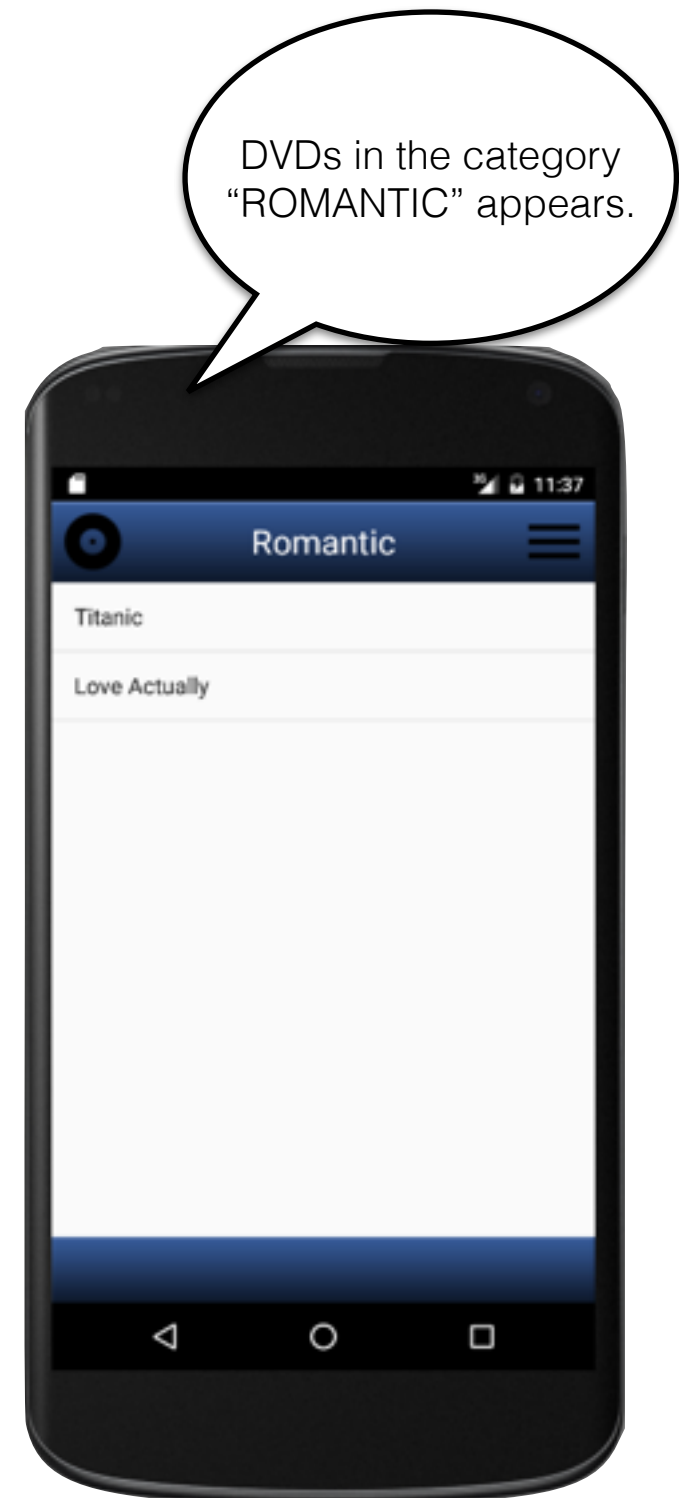

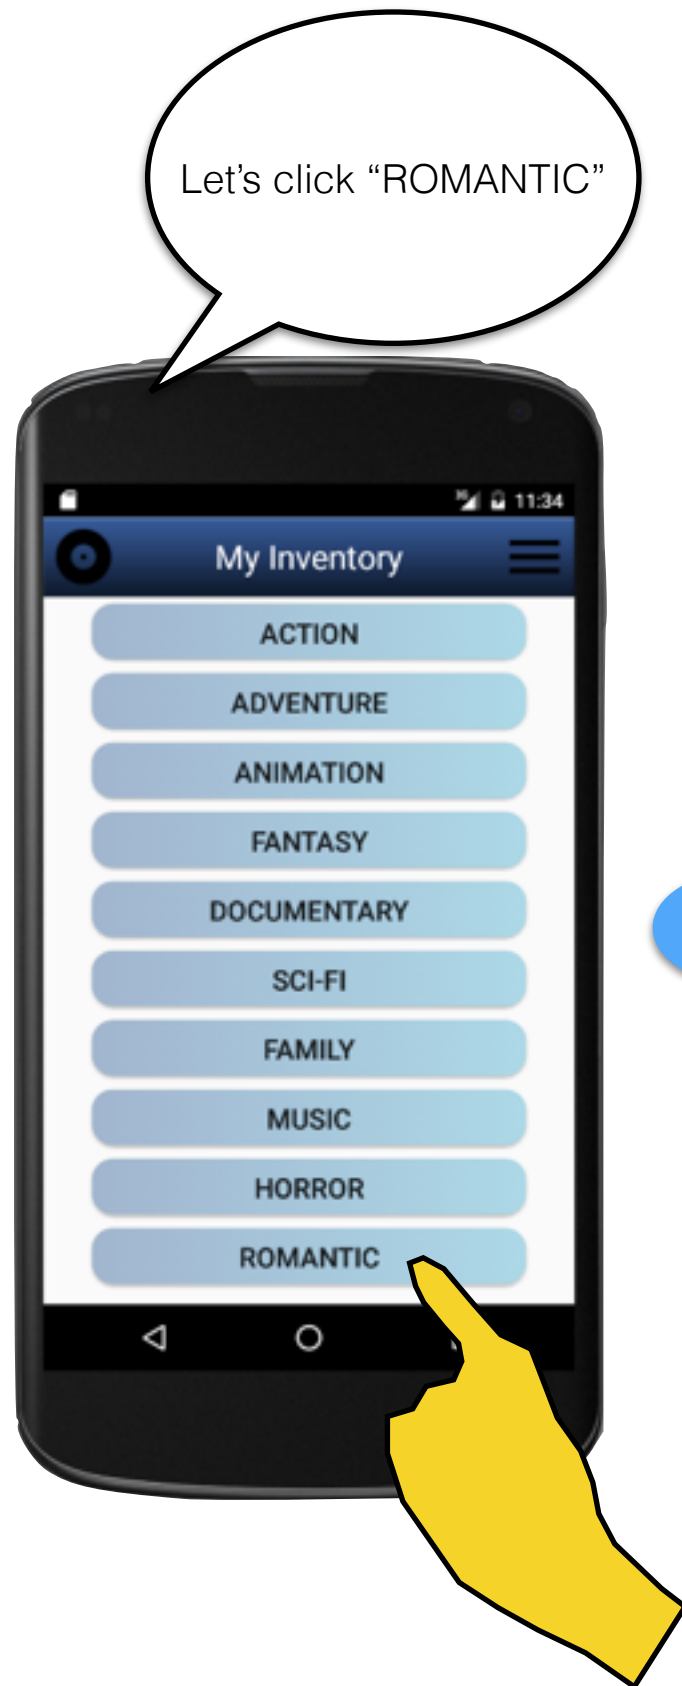

Click this to save change and return to Titanic.

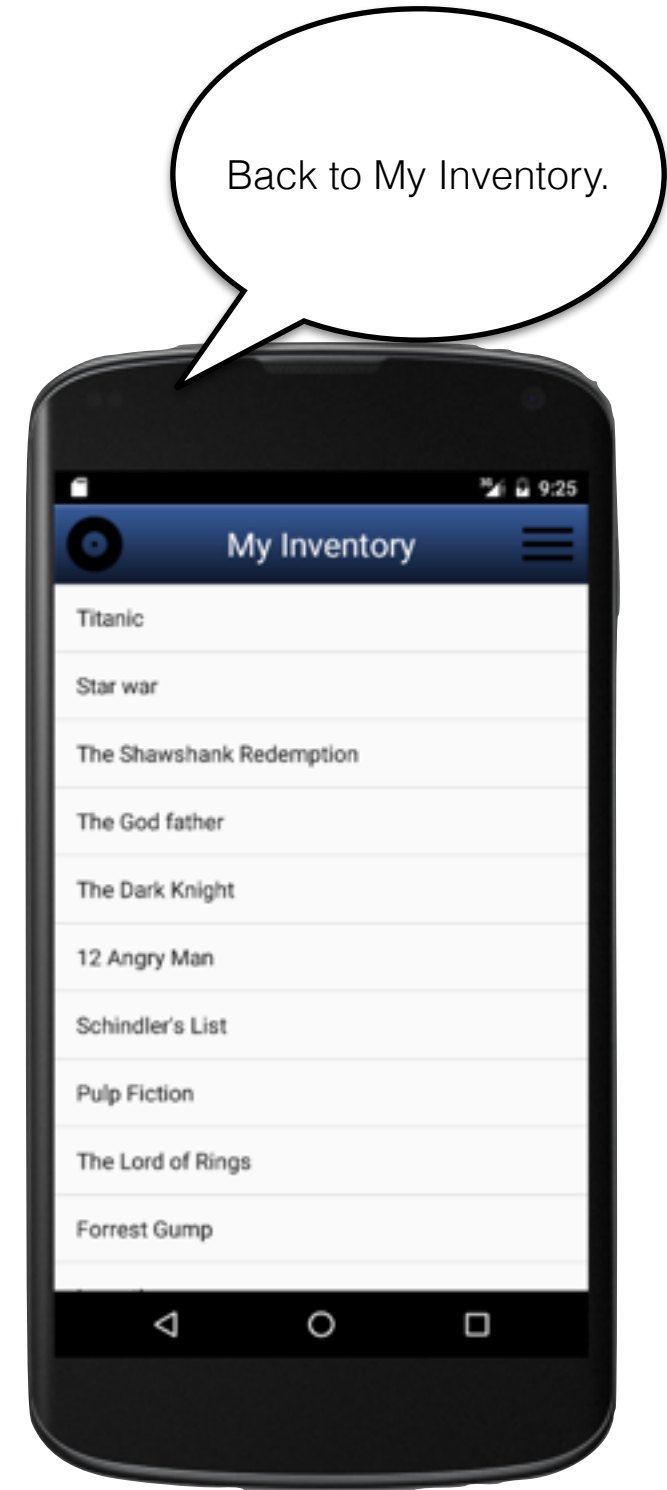

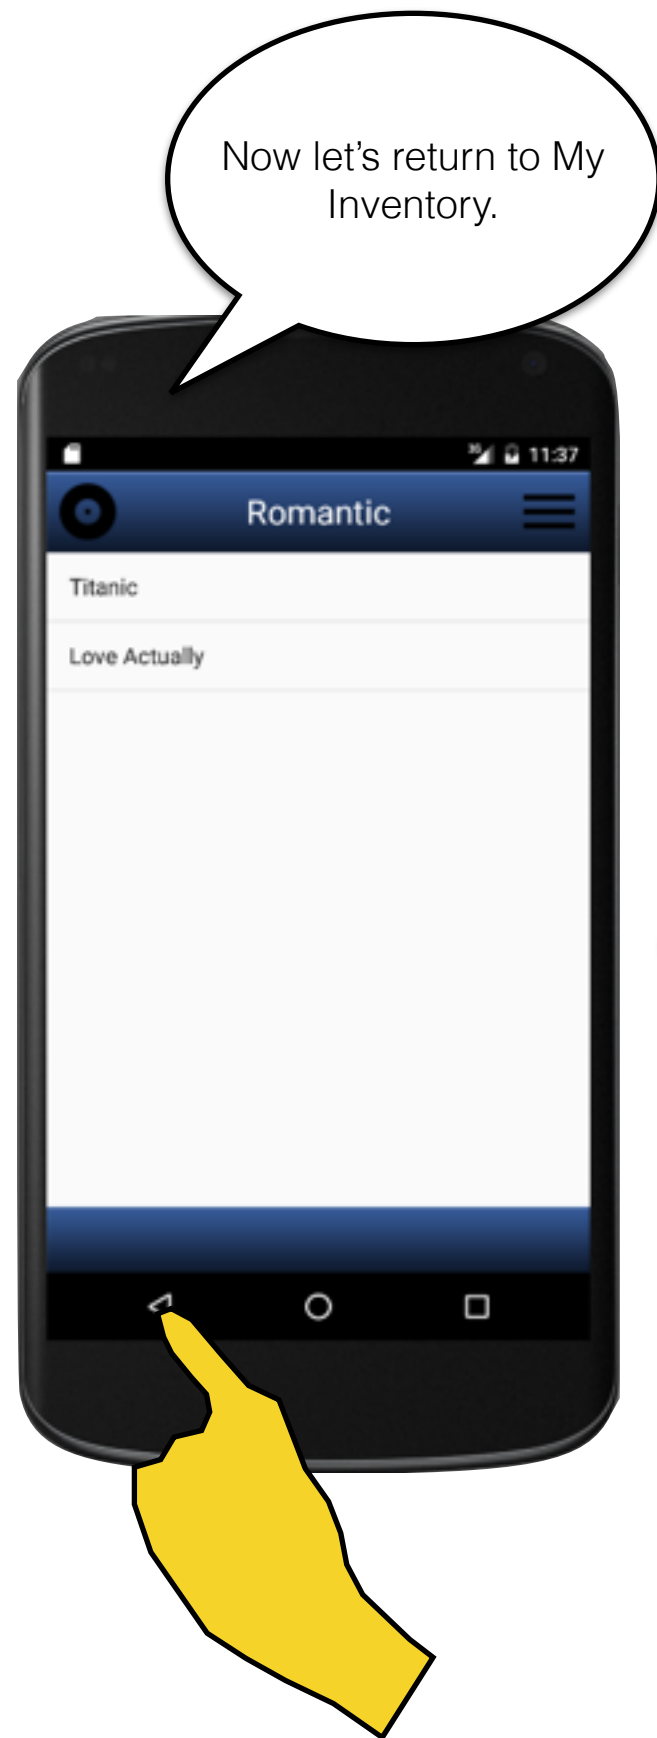

Click this to cancel the change.

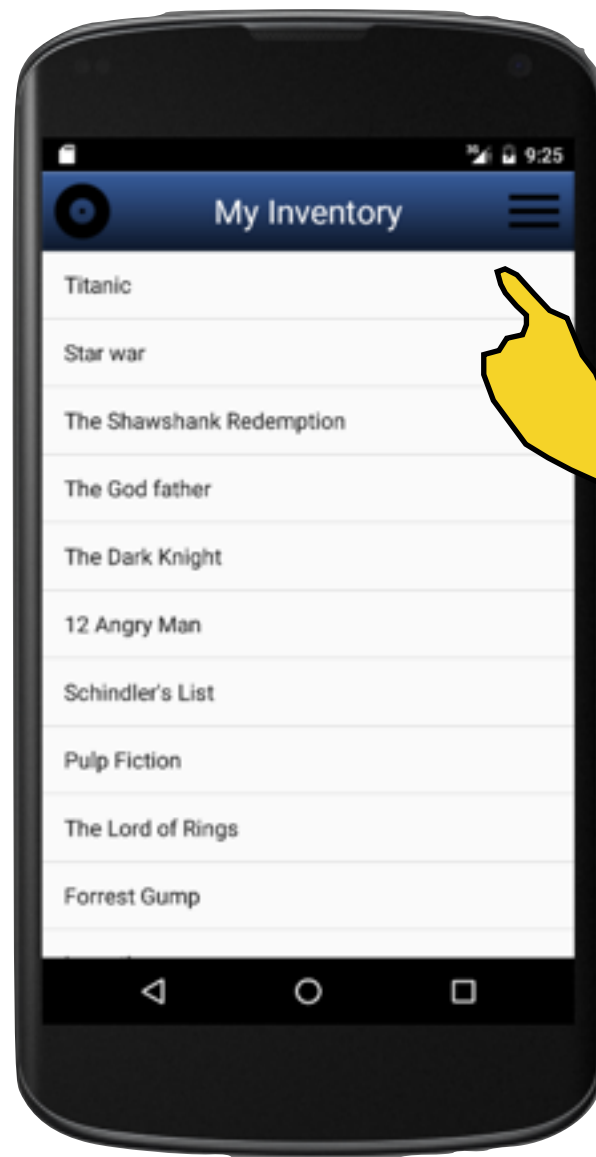

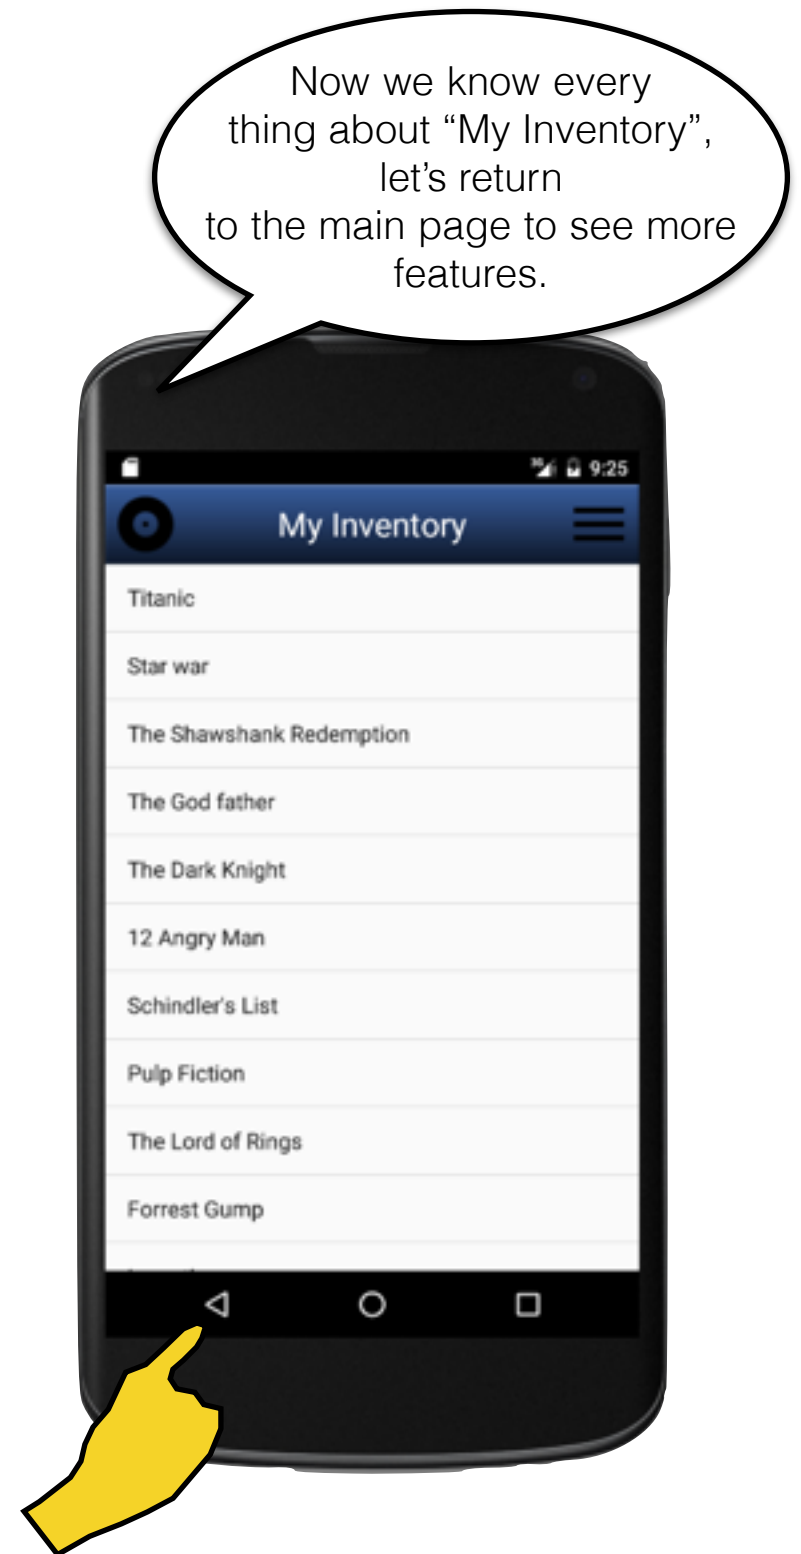

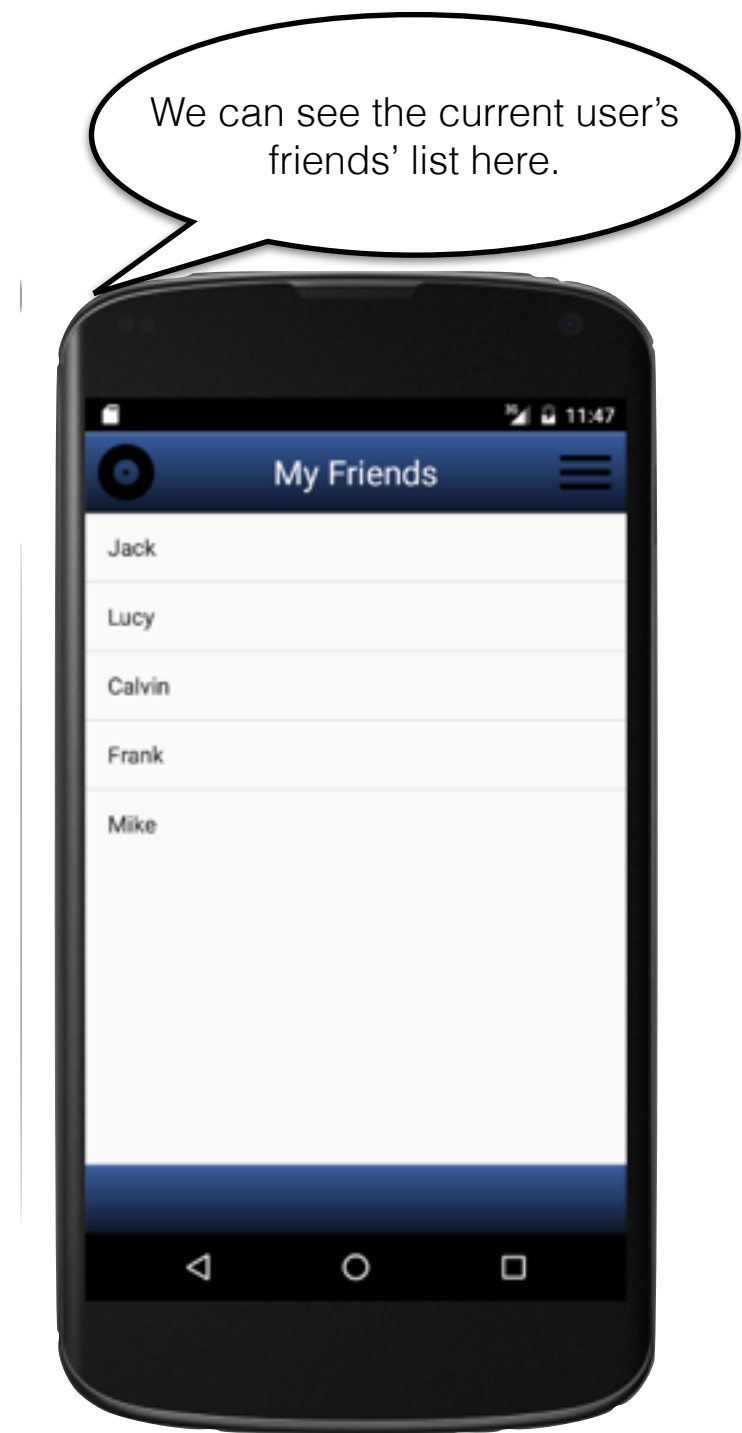

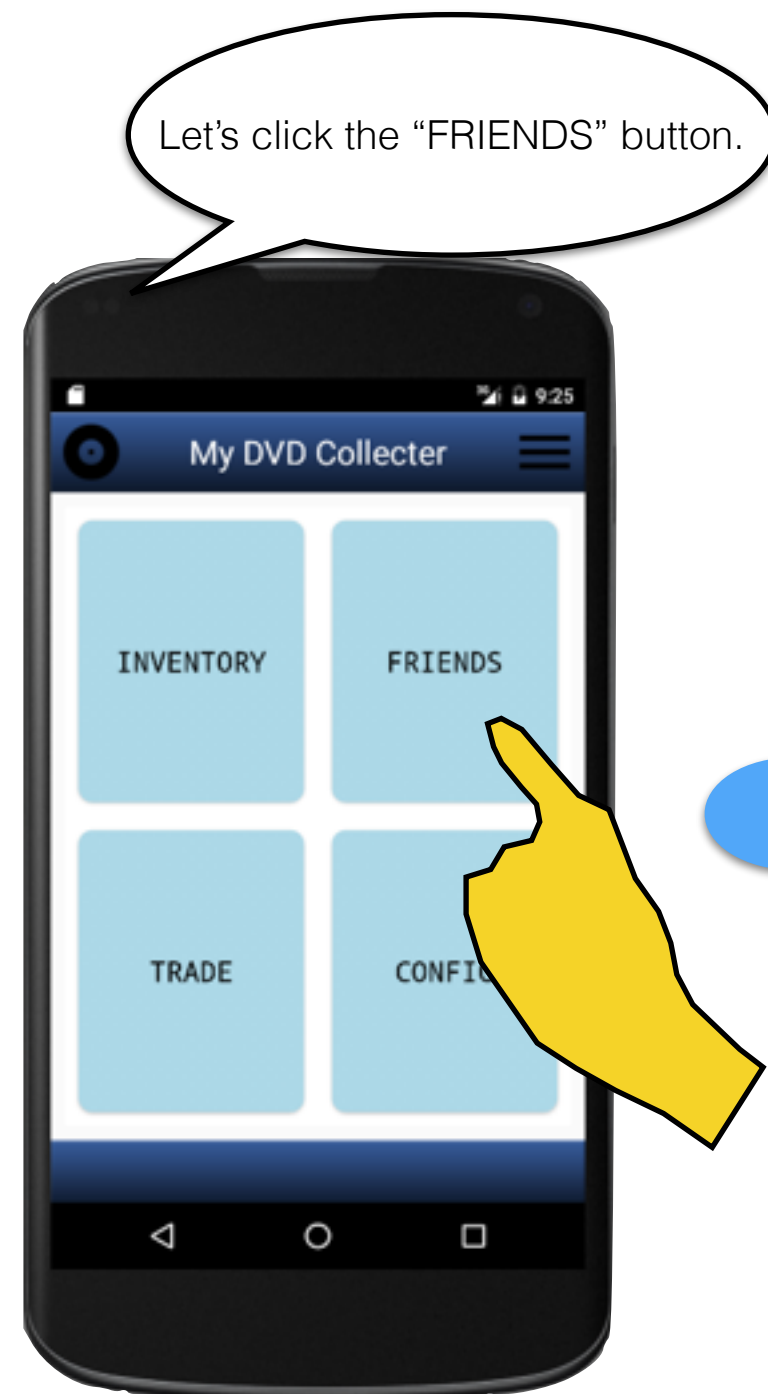

You can click to see the DVD information, as we already did in step 13,14 and 15.

25

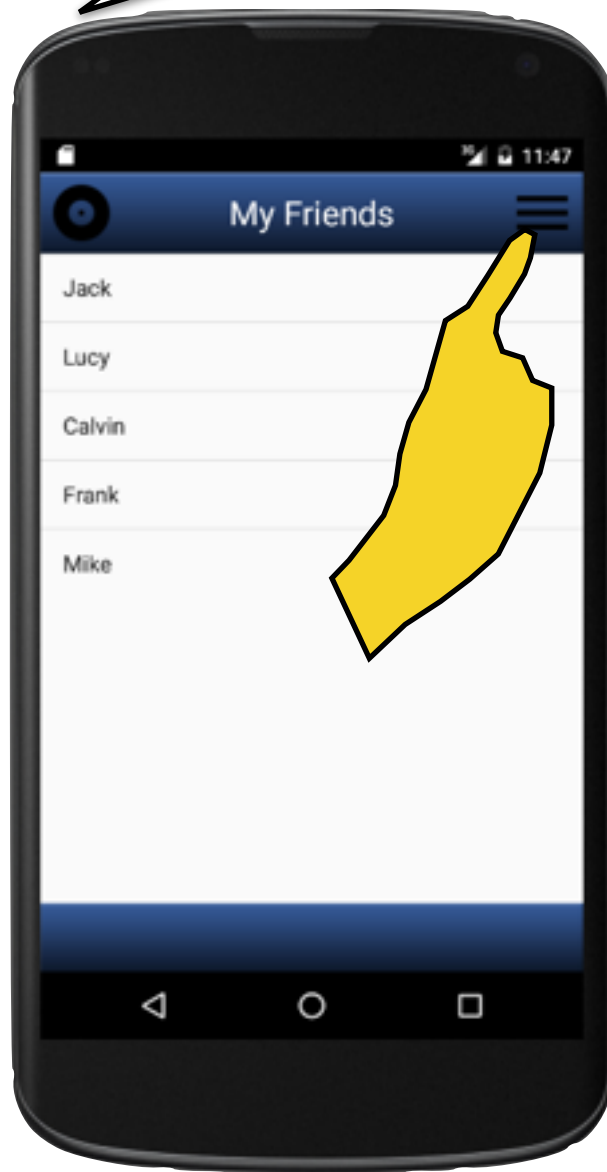

26

Let's click the MENU button.

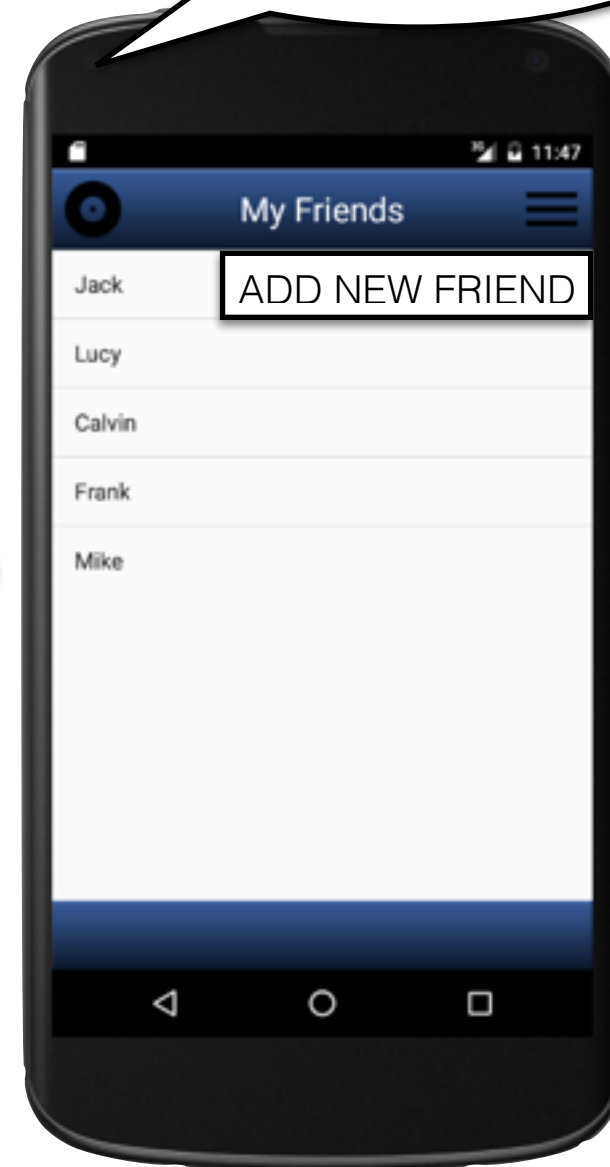

29

30

Now the menu appears.

Let's try to add a new friend.

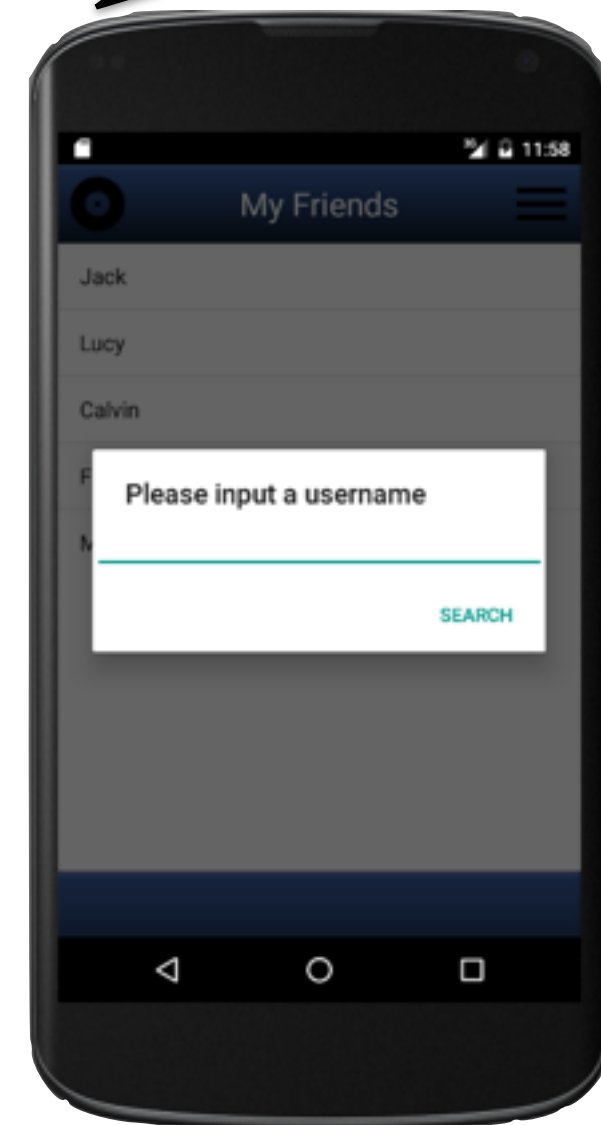

31

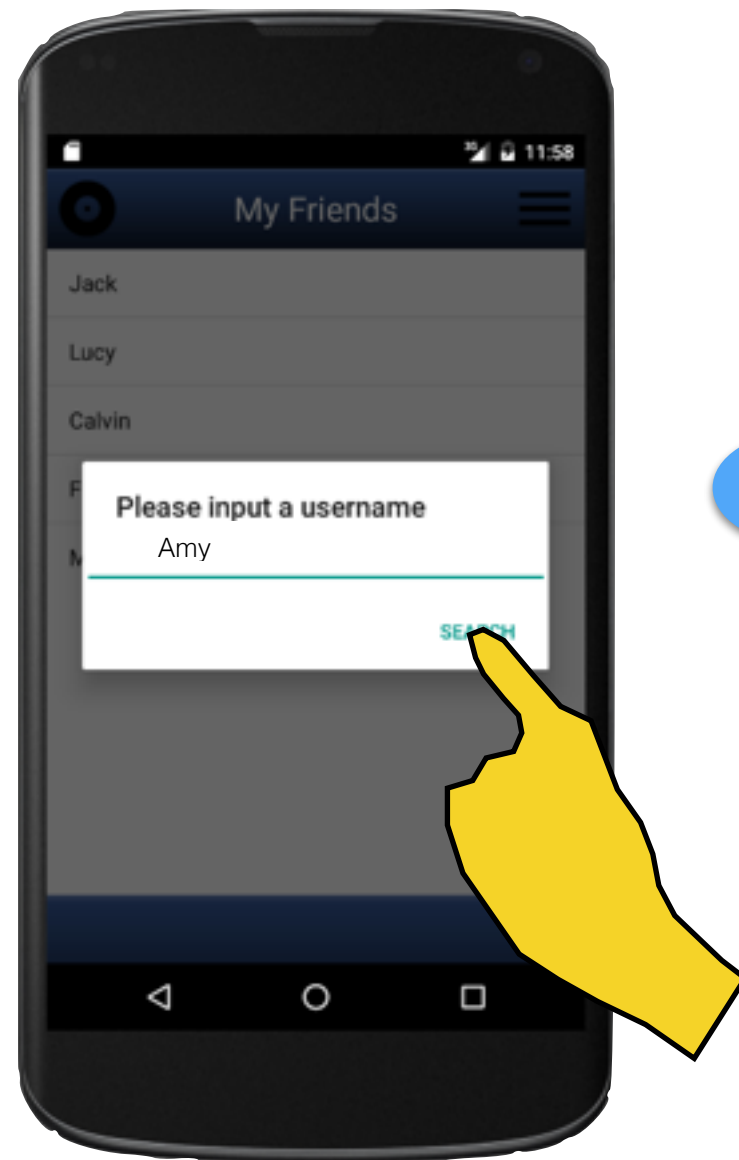

32

This AlertDialog allows to input a friend's user name.

Let's try to search a new friend called Amy.

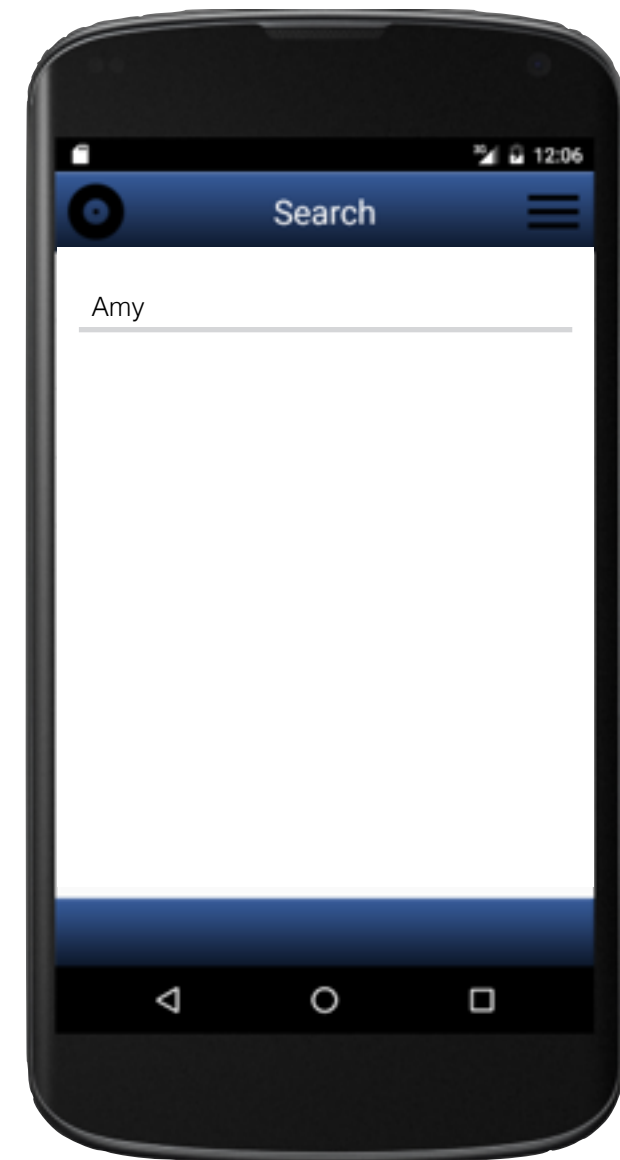

33

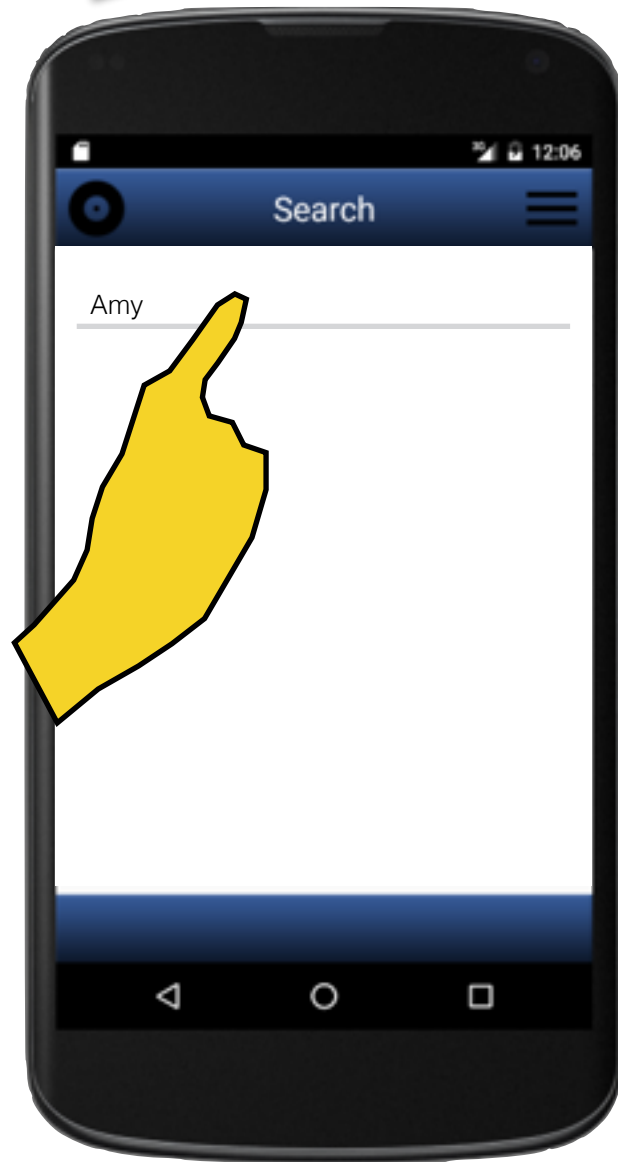

34

Now we find her.

Now let's click on Amy to see her profile.

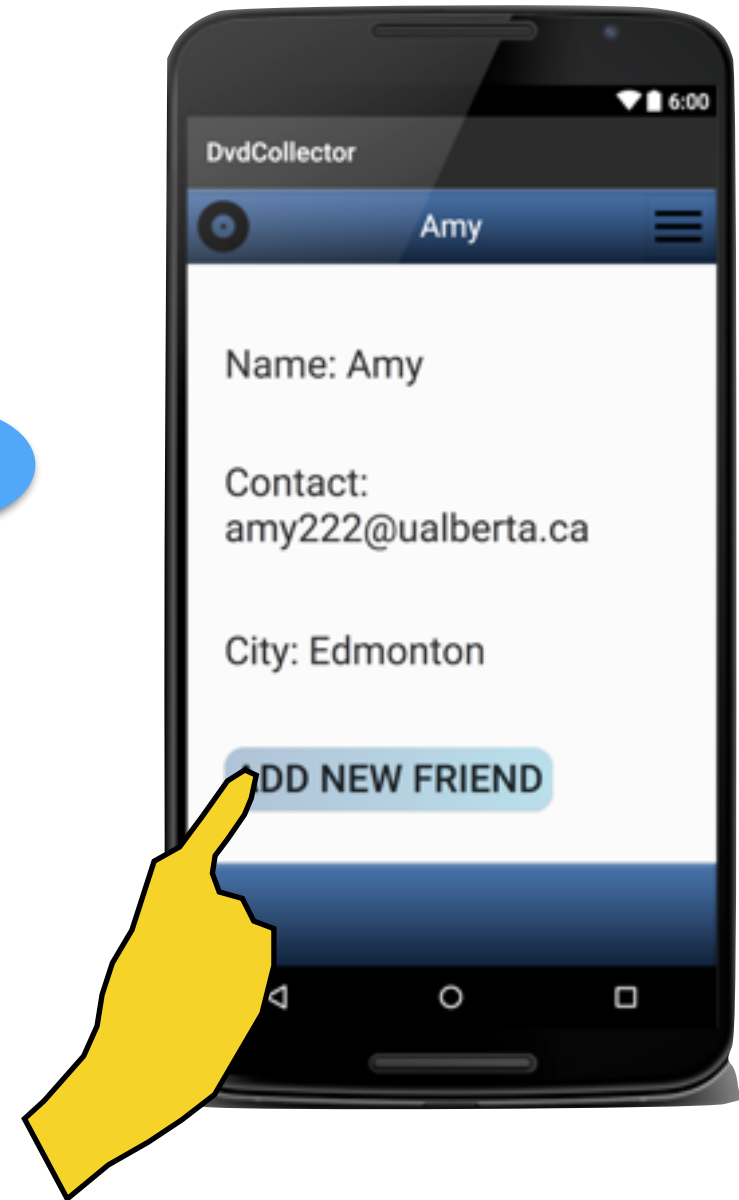

35

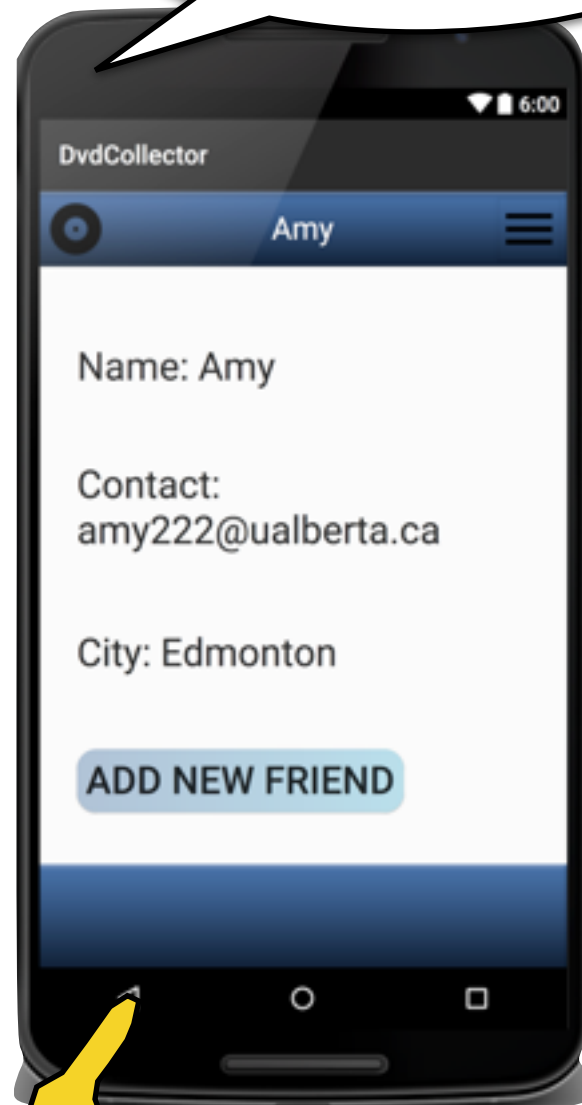

36

Now we can see Amy's profile and also can click the button "ADD NEW FRIEND" to add her to the current user's friends list.

Now let's go back to the friends list.

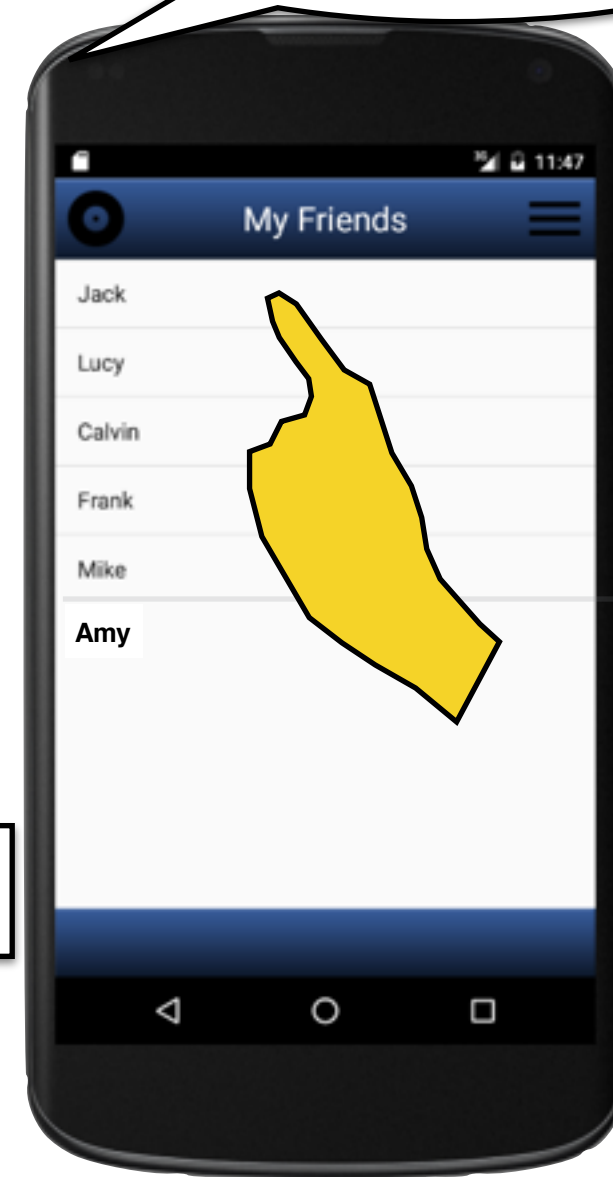

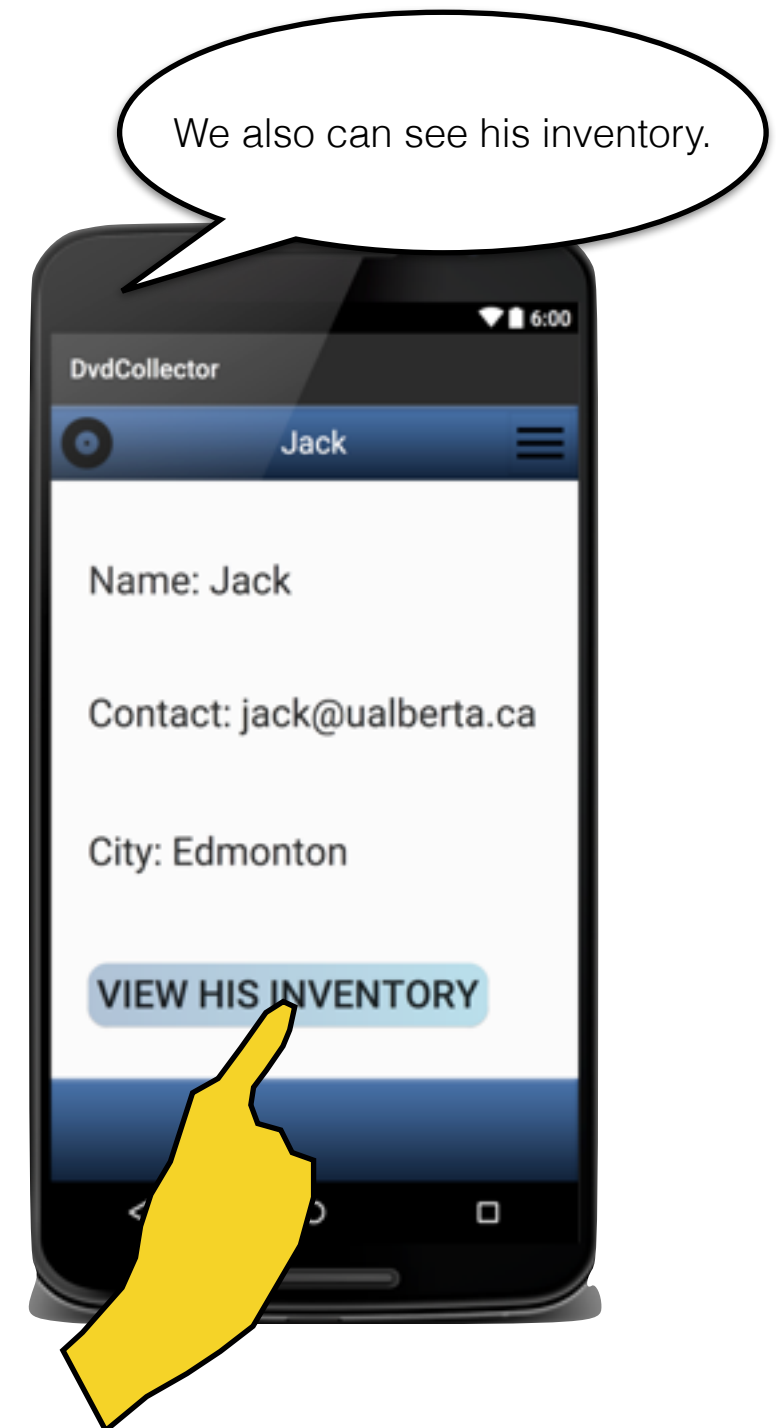

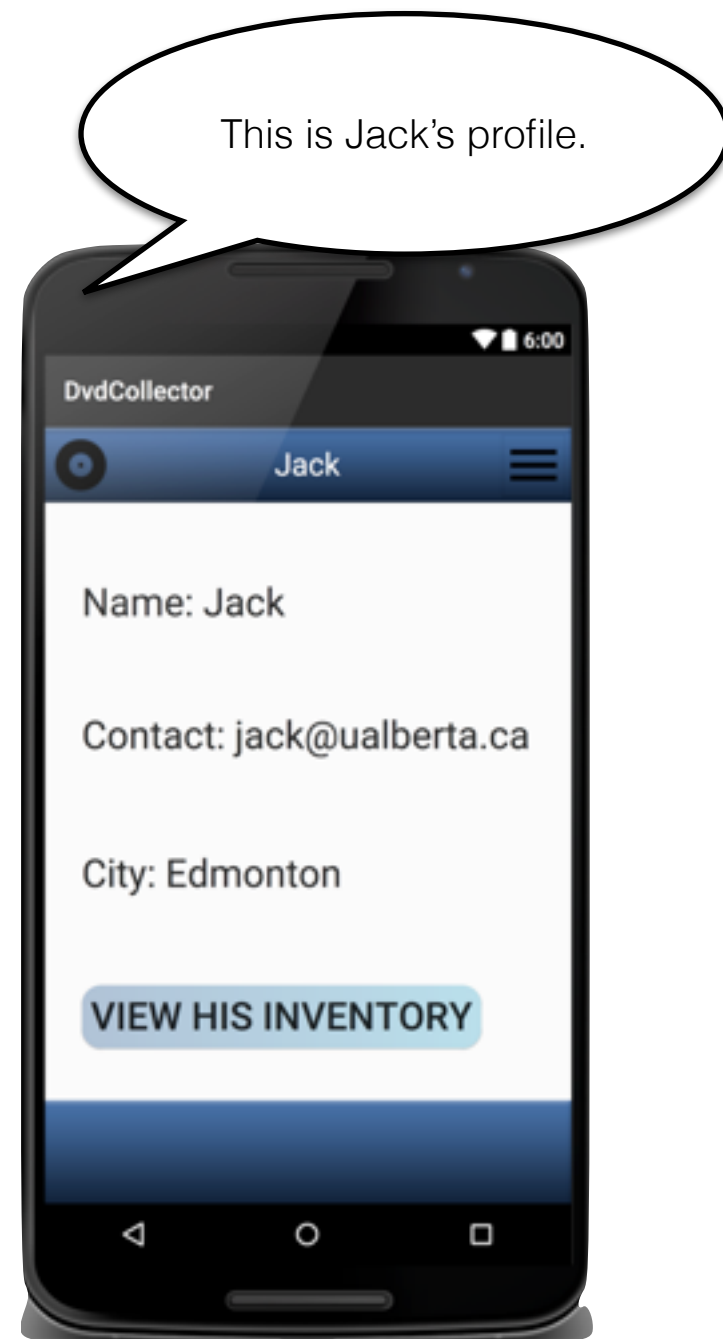

37

38

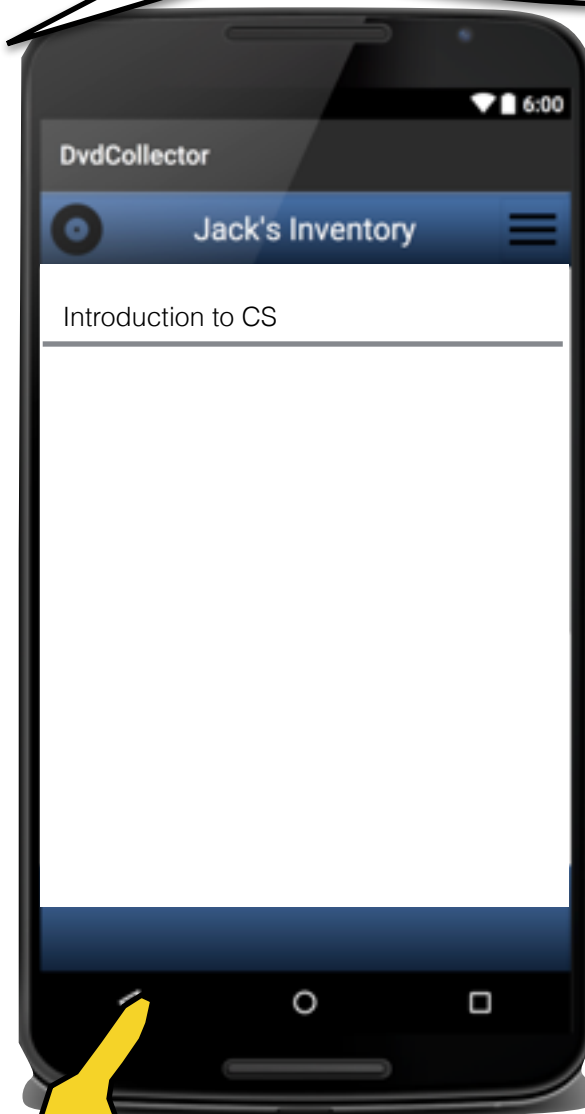

Amy is added

We can also click a friends profile which the friends is already in the current user's friends list

This is Jack 's inventory and we can also click to see details but I don't want to do it again since we already did in step13. You can also click the menu and search and browse Jack's inventory. Since we already did a similar search and browse in current user's inventory, we are not going to search again here. Now we know every thing about "FRIENDS" let's go back to the main page to see more features.

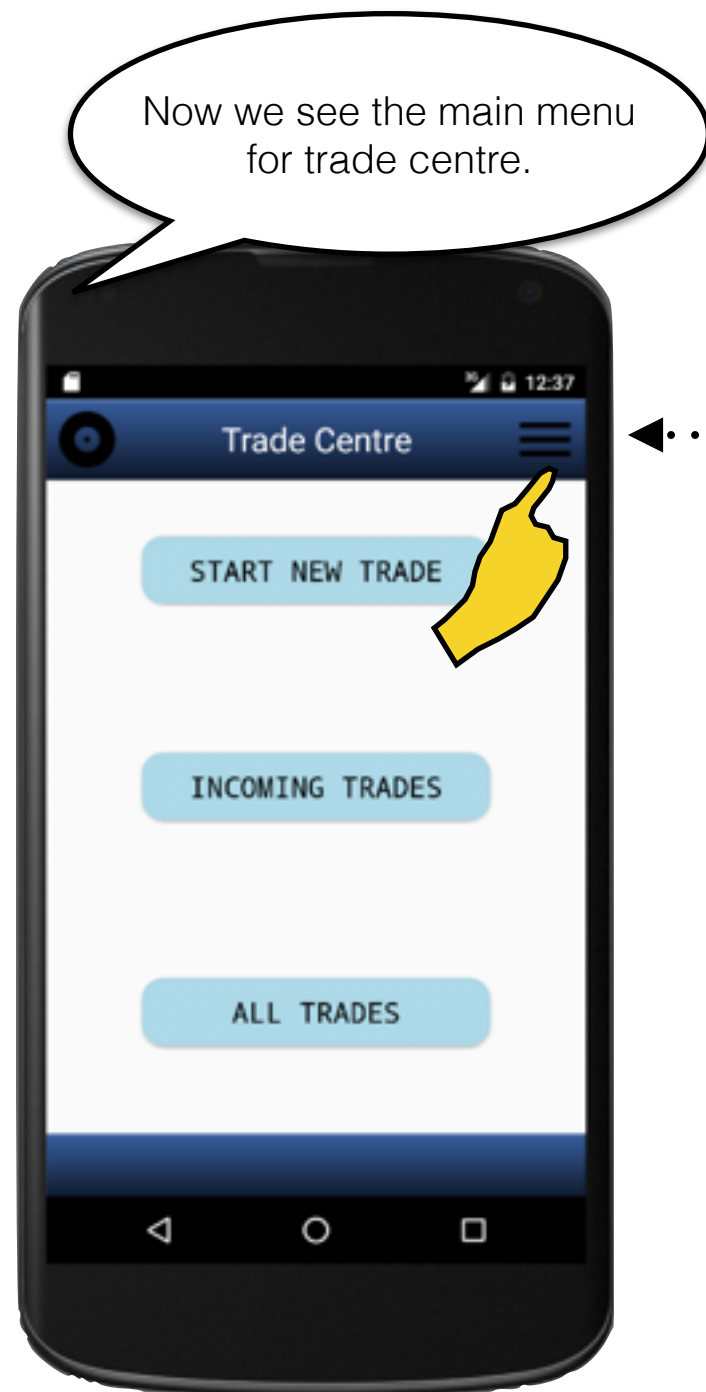

41

42

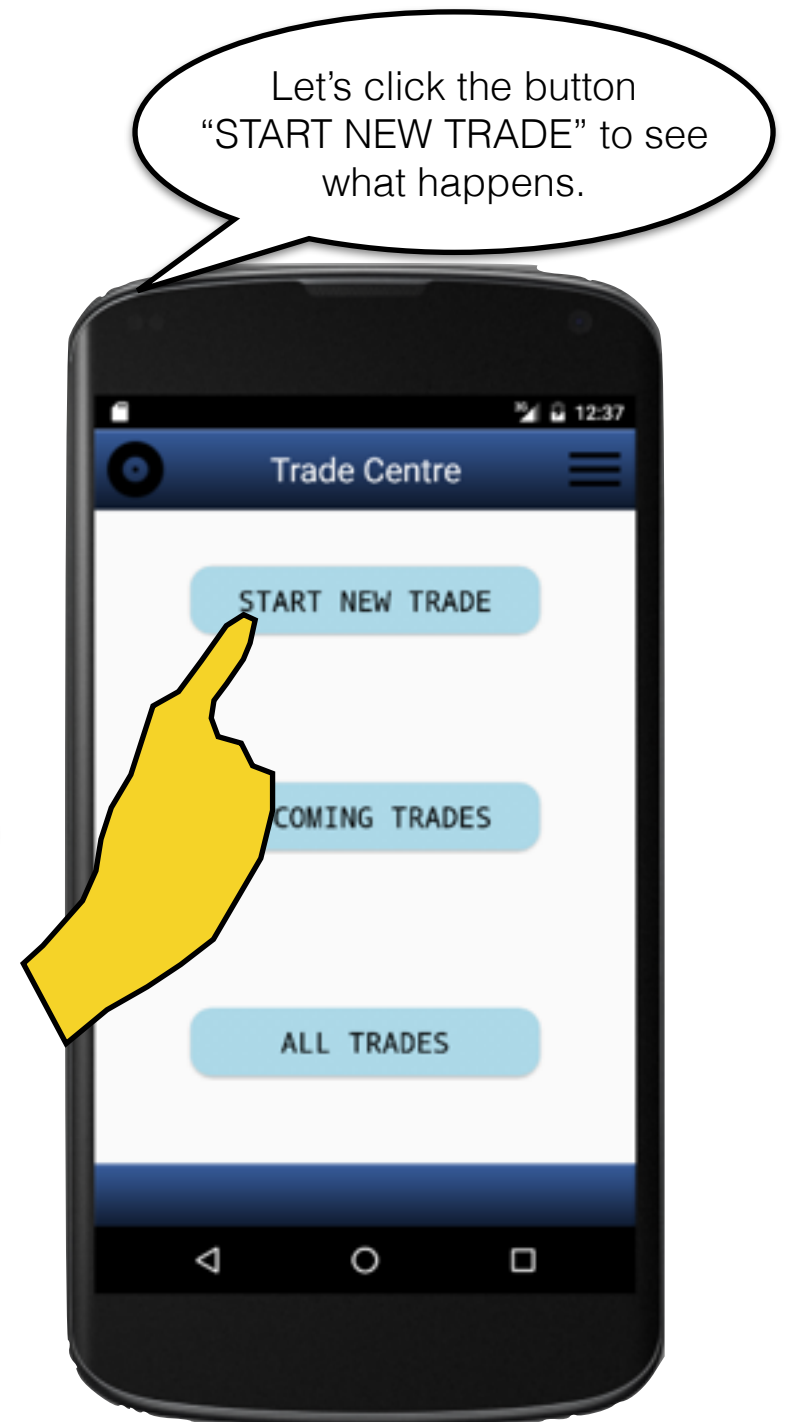

Let's click "TRADE"

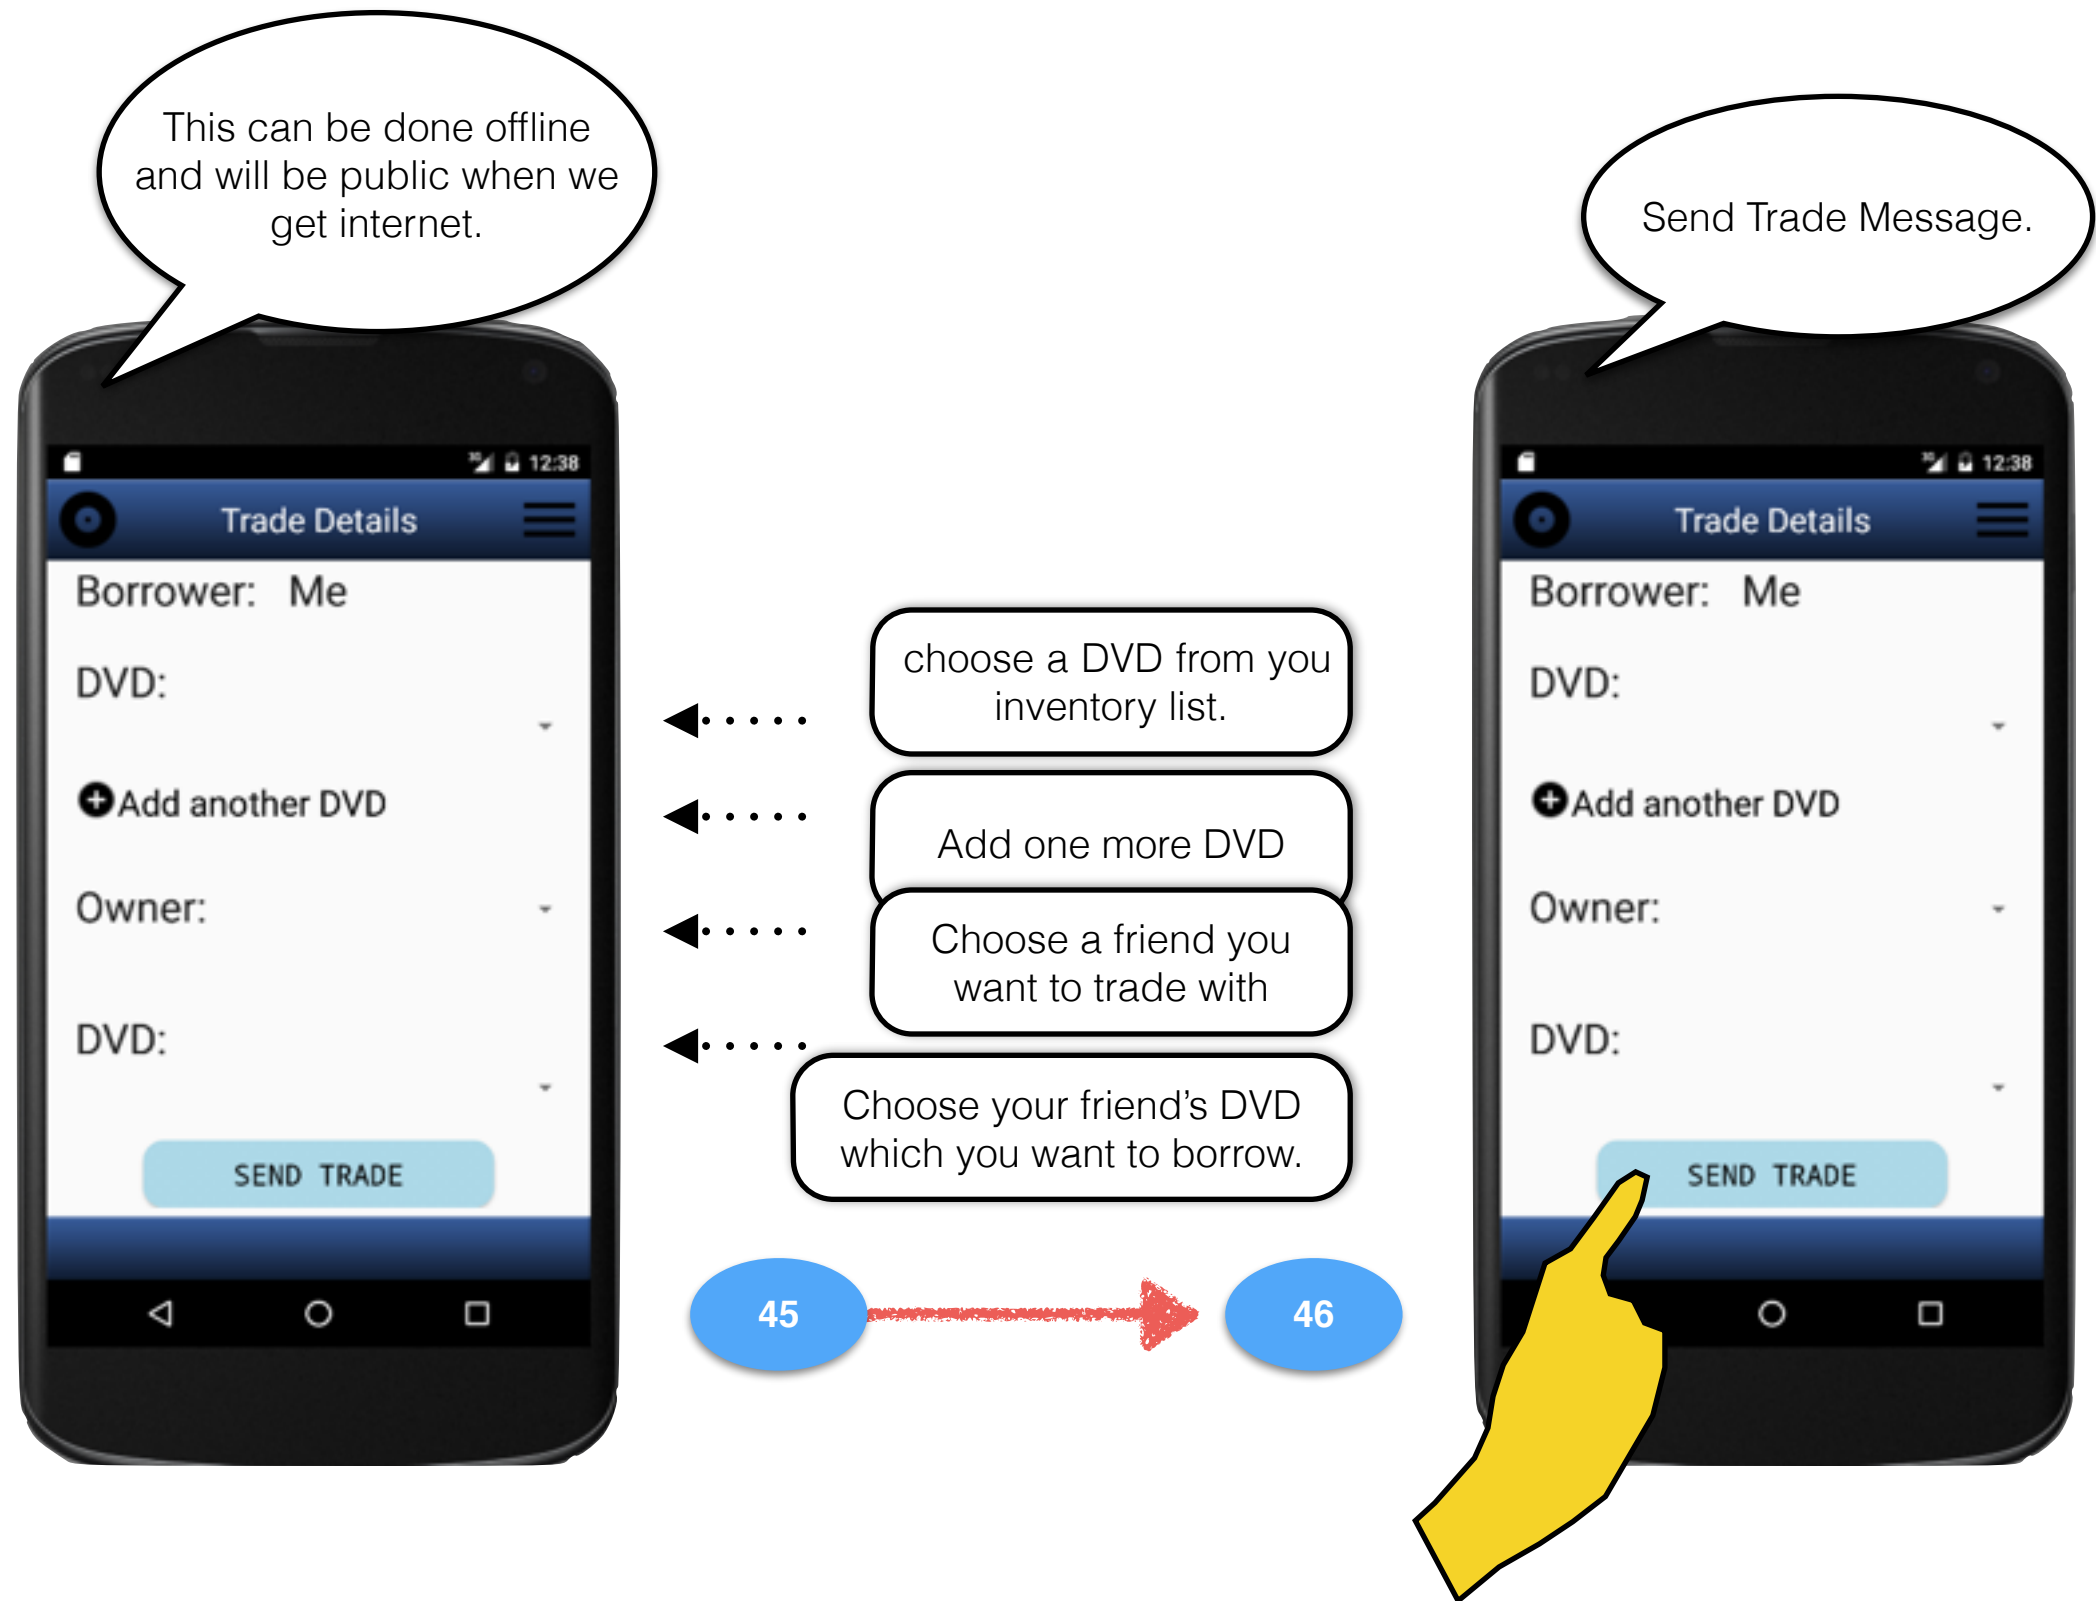

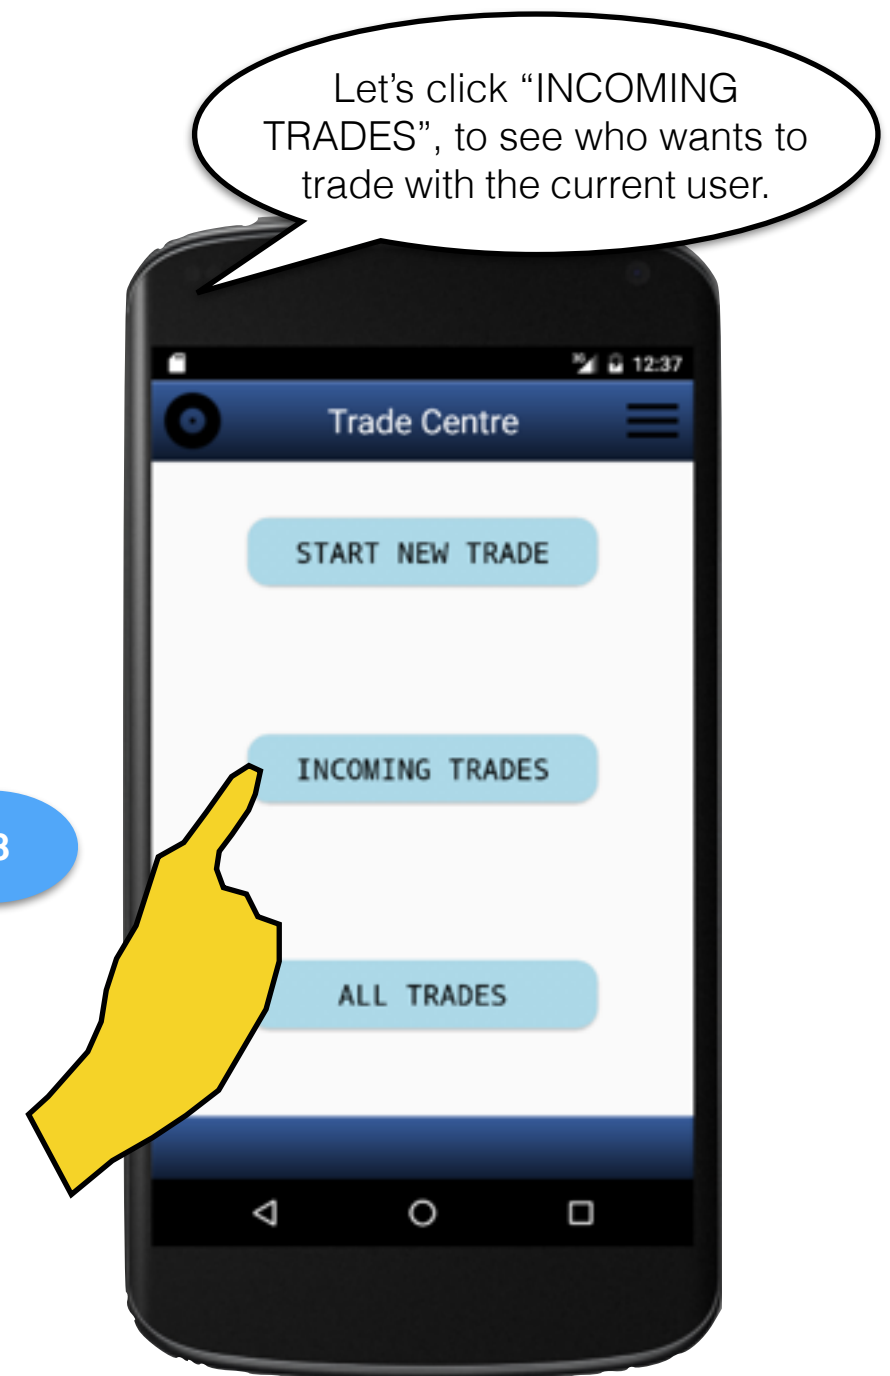

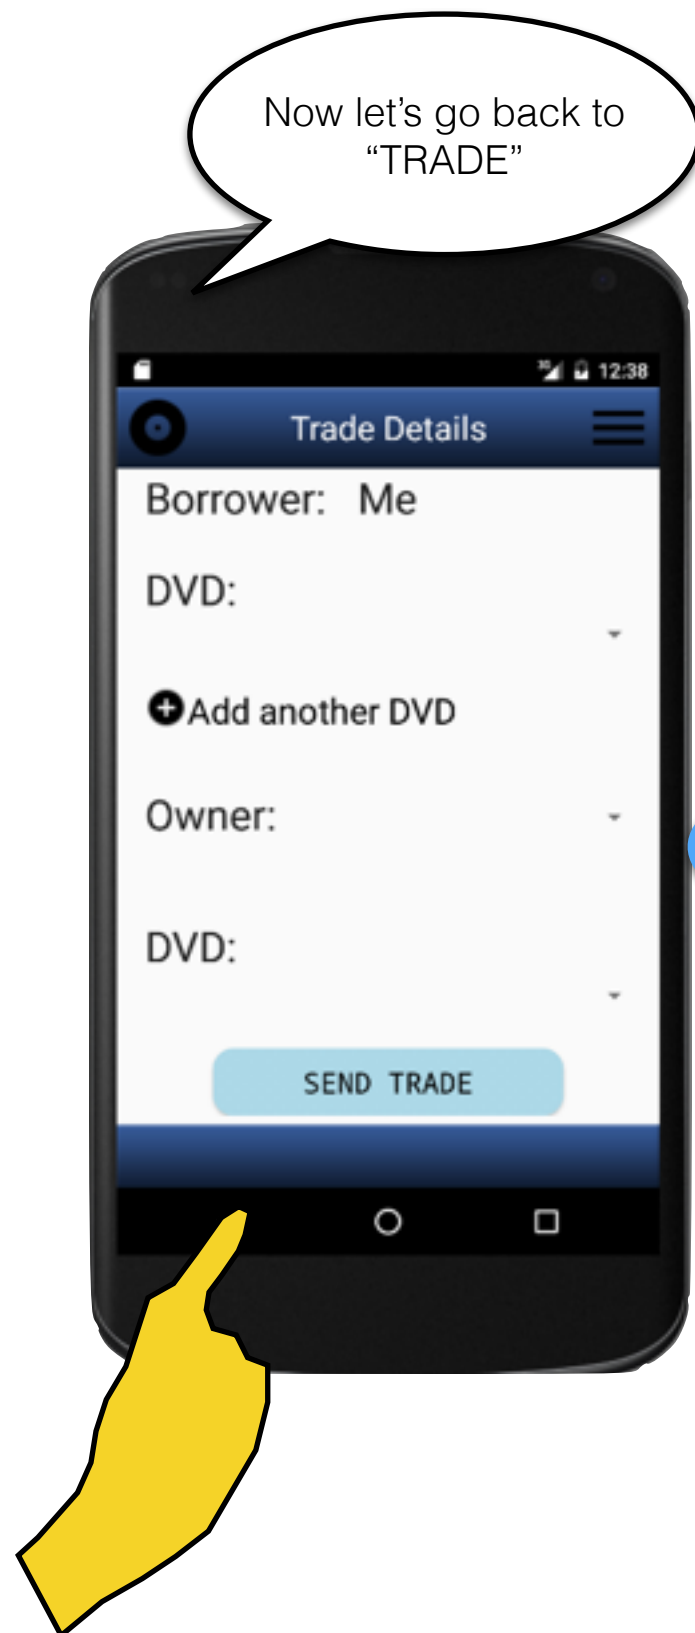

←.....

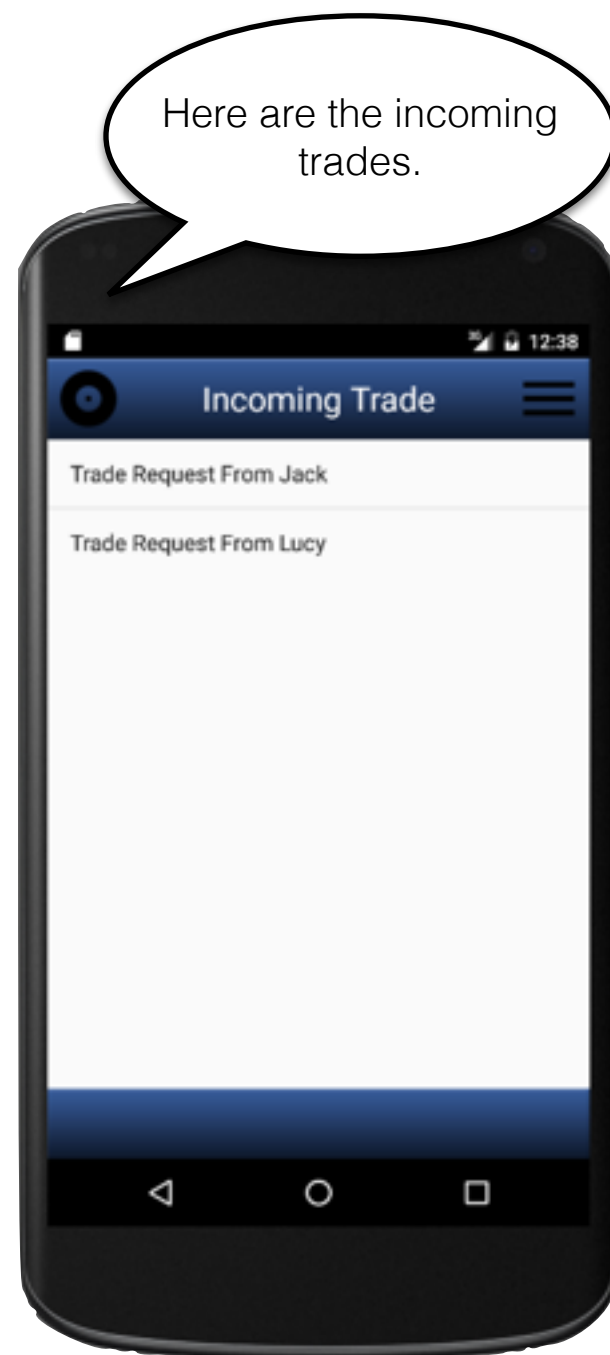

You can also browse friends' inventories you previously looked at.

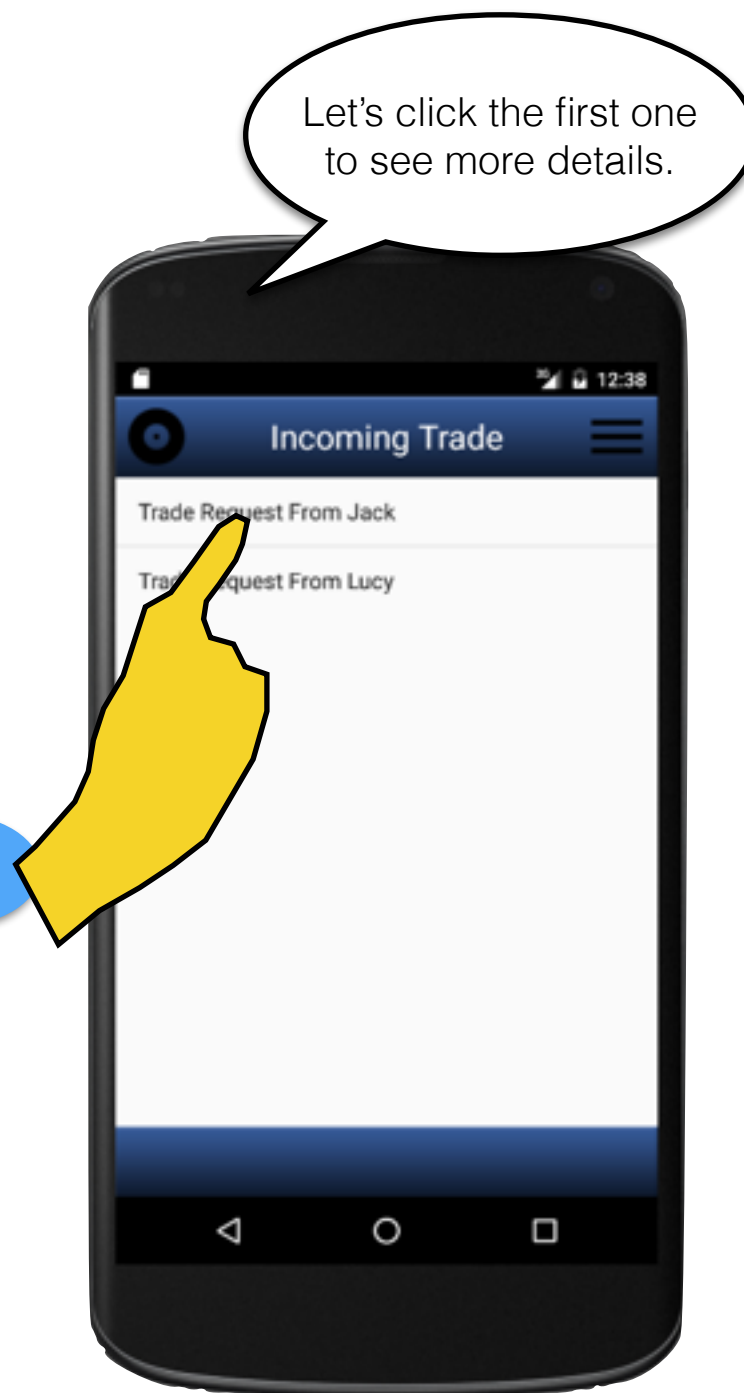

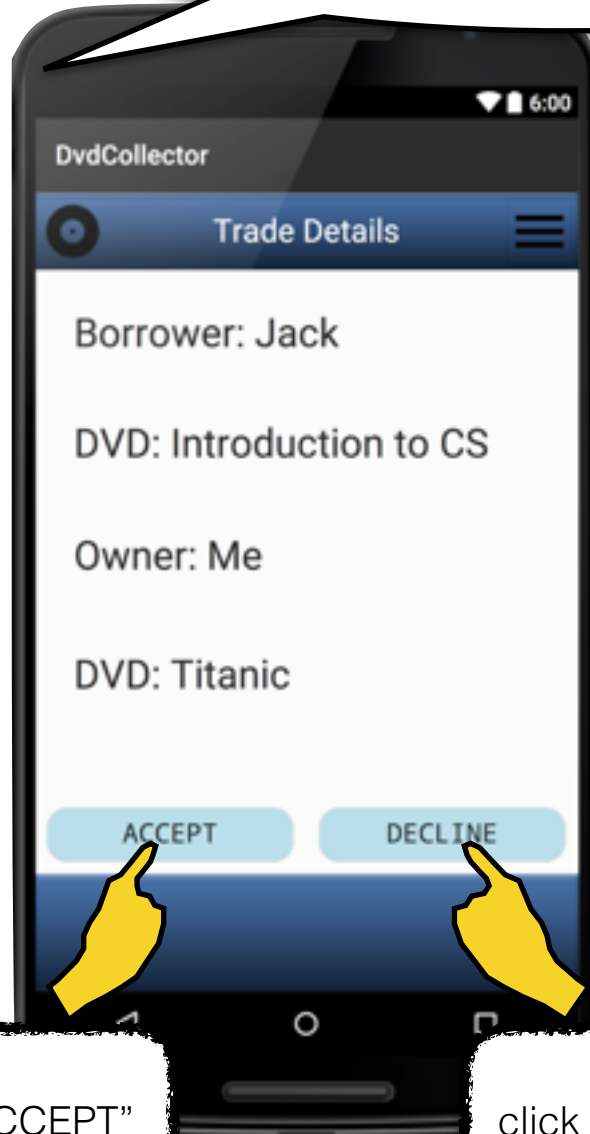

49

50

From this trade details that we can see Jack wants to use his "Introduction to CS" to trade my "Titanic", I can either ACCEPT or DECLINE.

click "ACCEPT" to accept this trade.

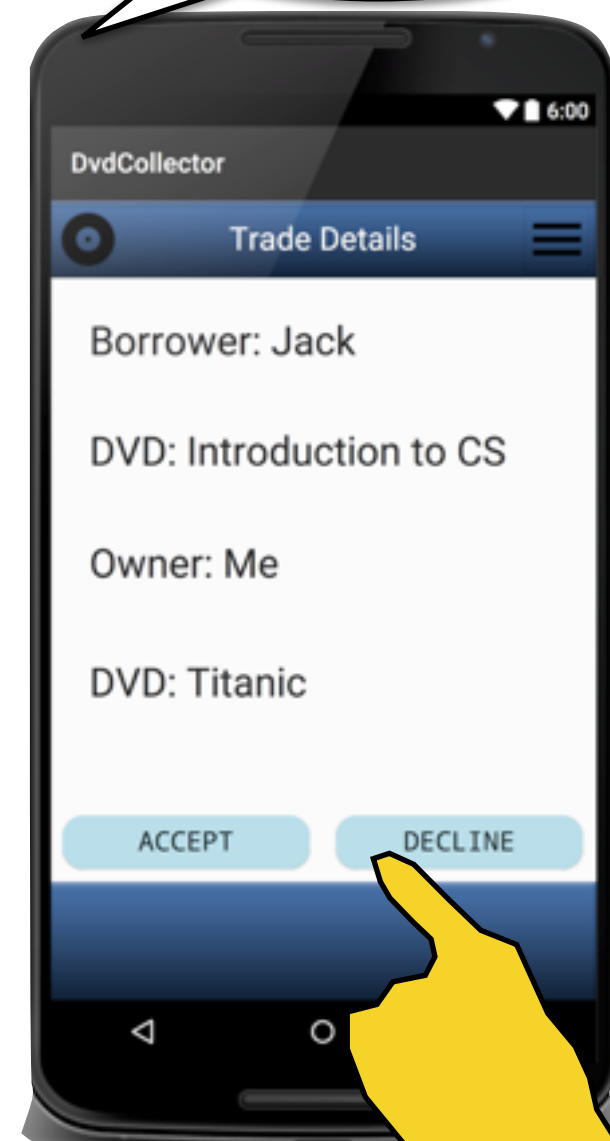

click "DECLINE" to decline this trade.

51

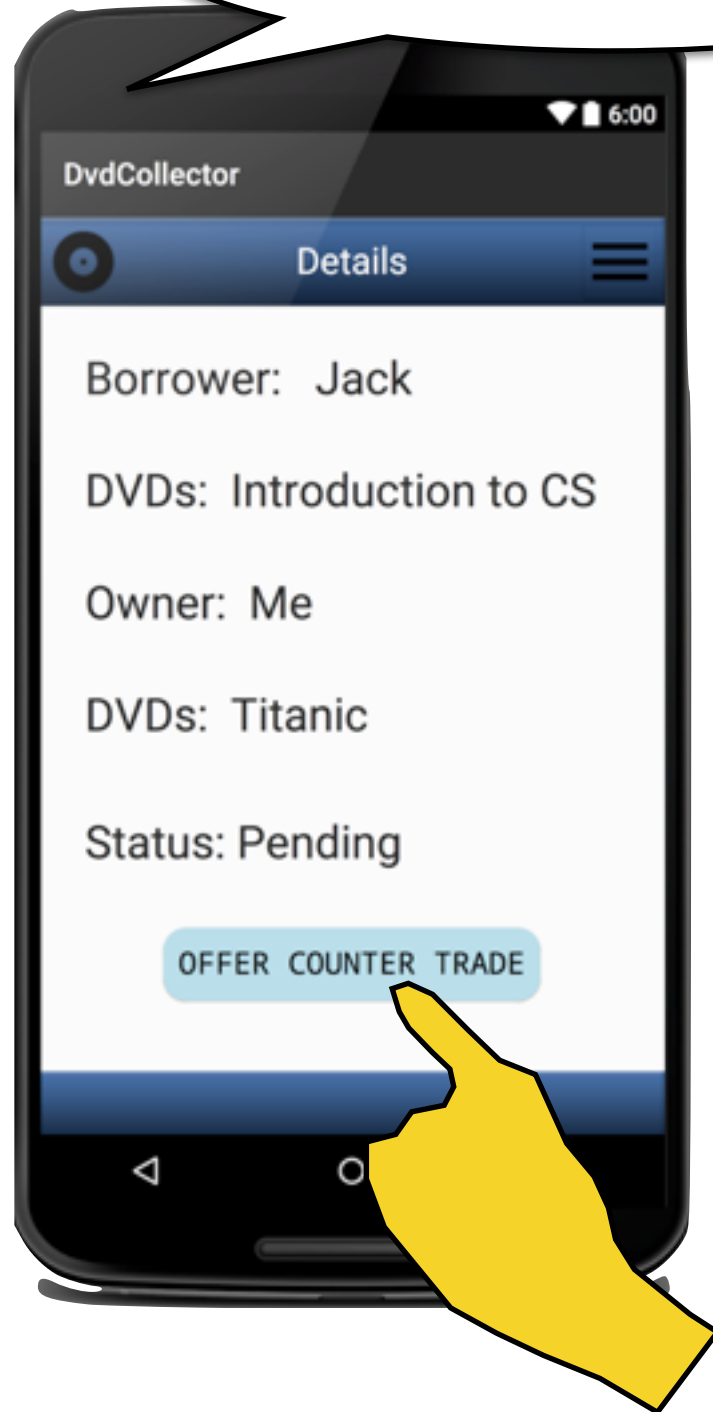

52

Since I don't want to trade with Jack, so let's decline it to see what happens.

By clicking "OFFER A COUNTER TRADE" we can start a new trade, choose the DVDs that I want to trade with Jack.

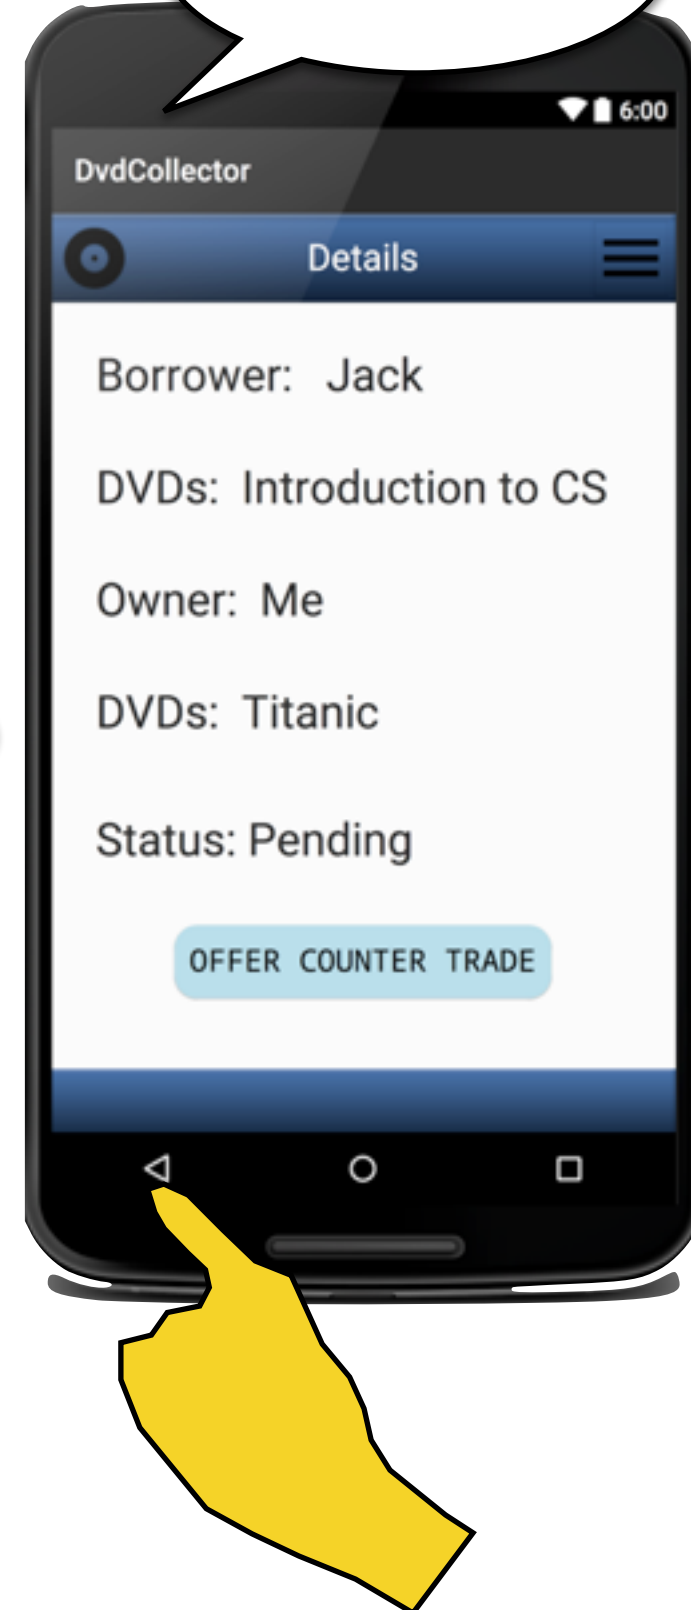

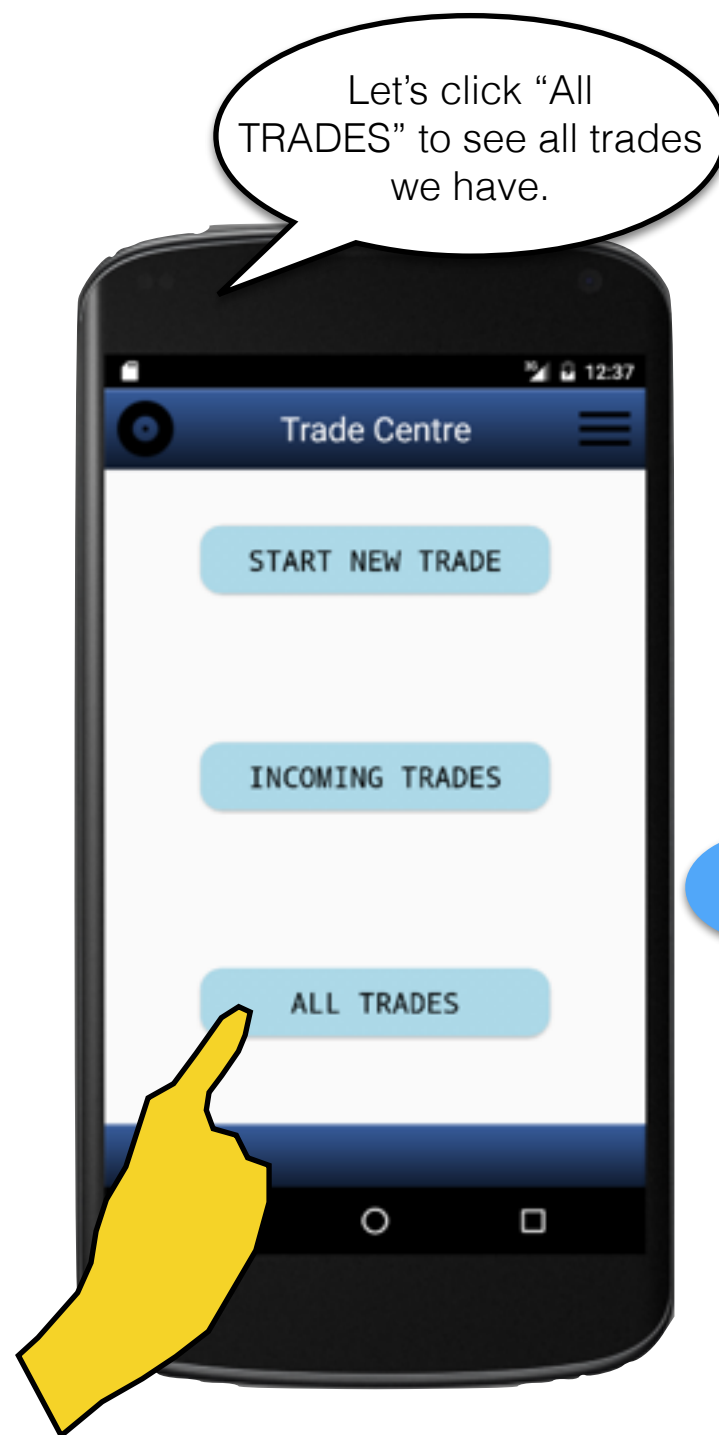

53

54

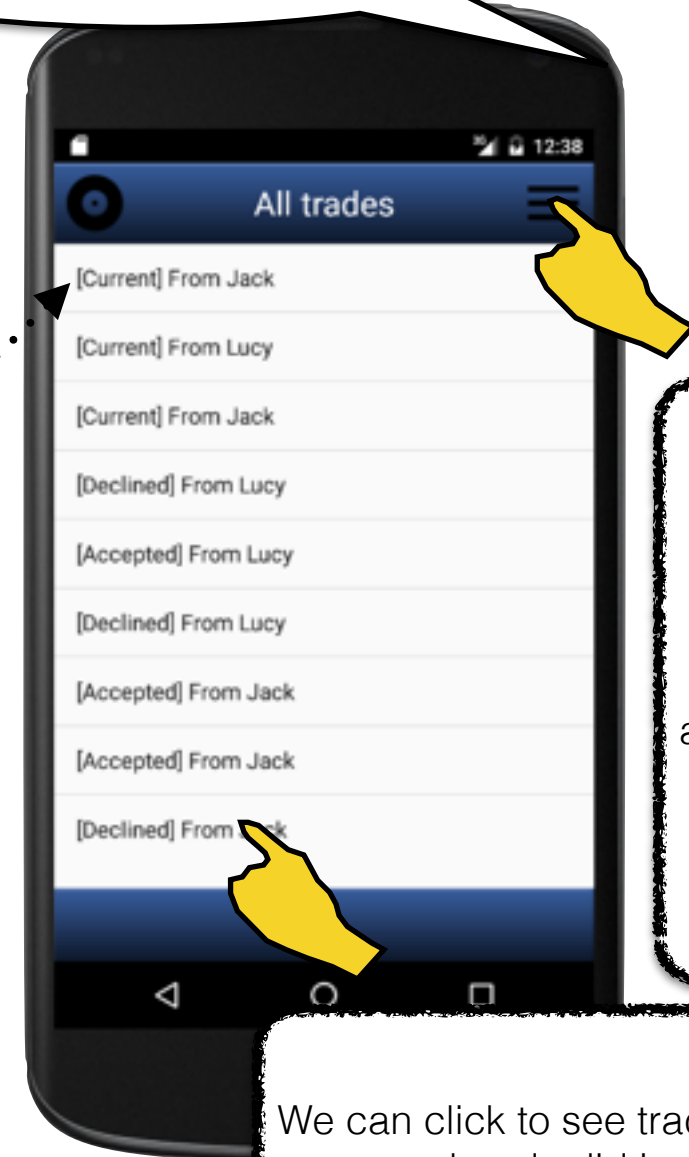

Now let's go back to the trade centre.

We can see the status of the trade here.

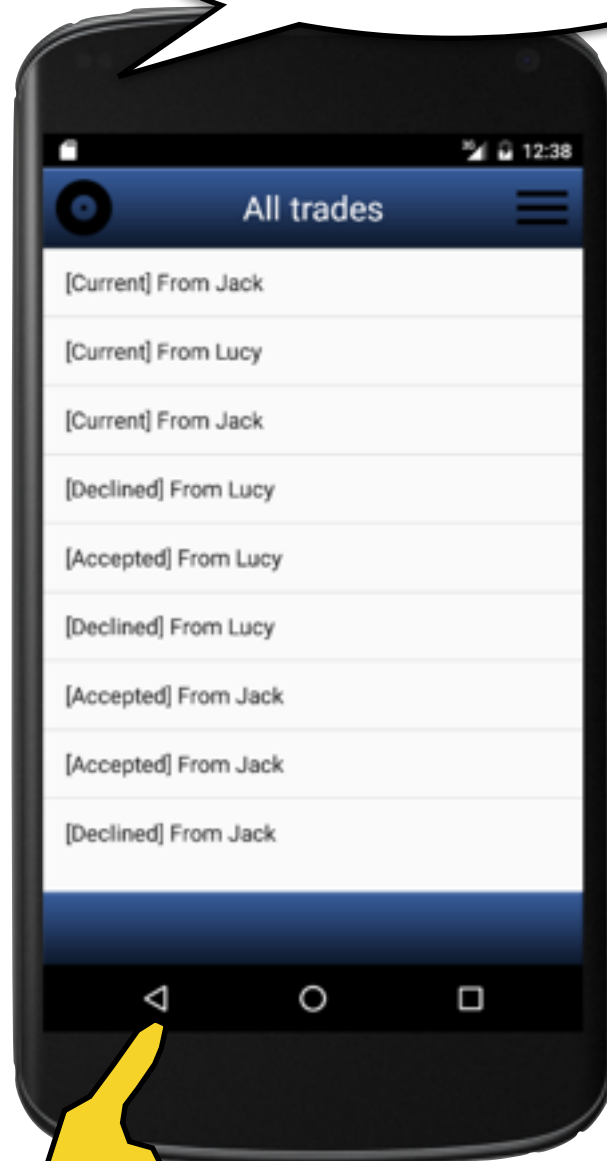

From the all trade we can see all our trade listing by who made this trade with me. And also can see the trade status.

We can also browse or search trade as what we do in inventory.

We can click to see trade details as we already did in step 50.

Now we already know every thing about "TRADE", lets go back to the main page.

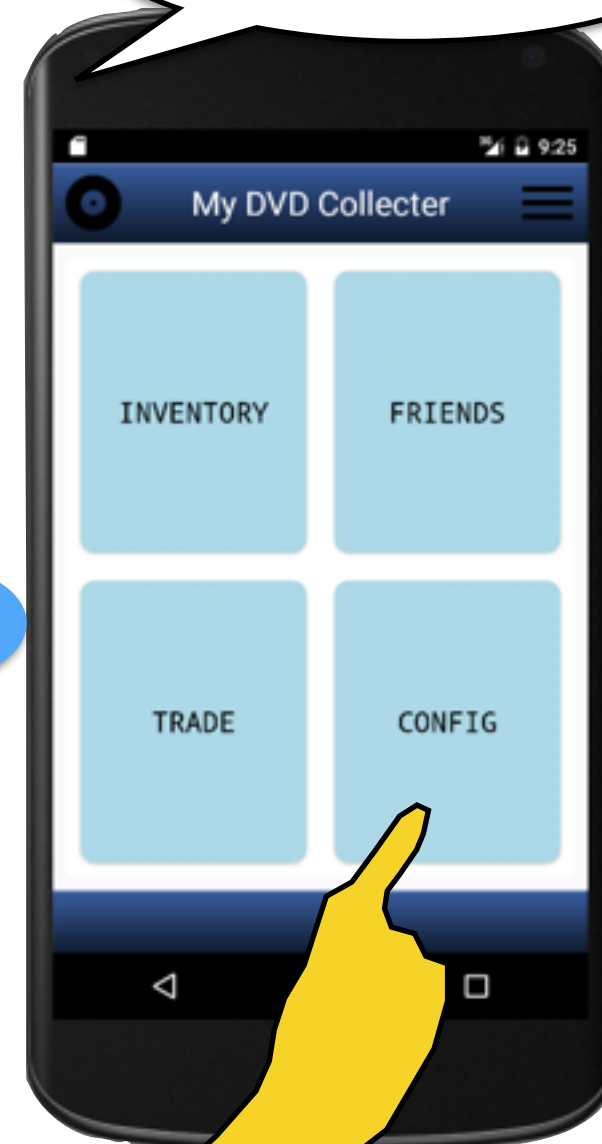

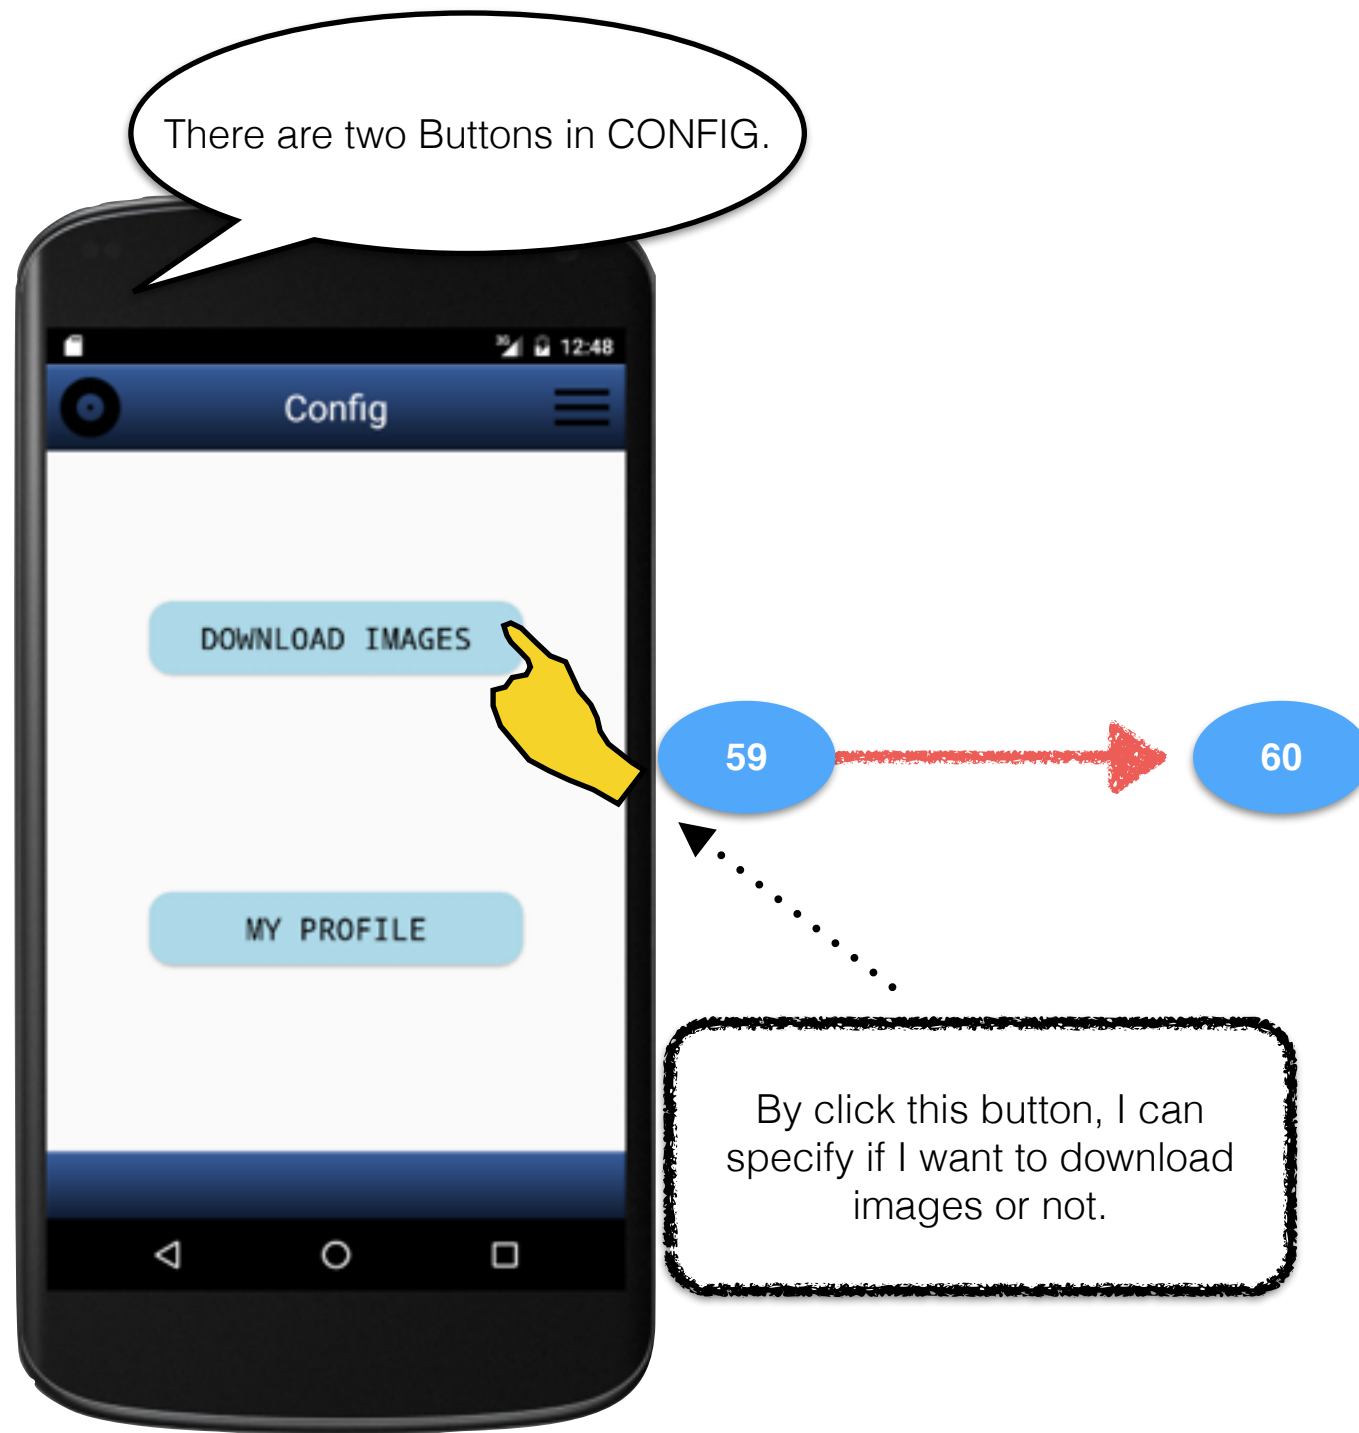

57

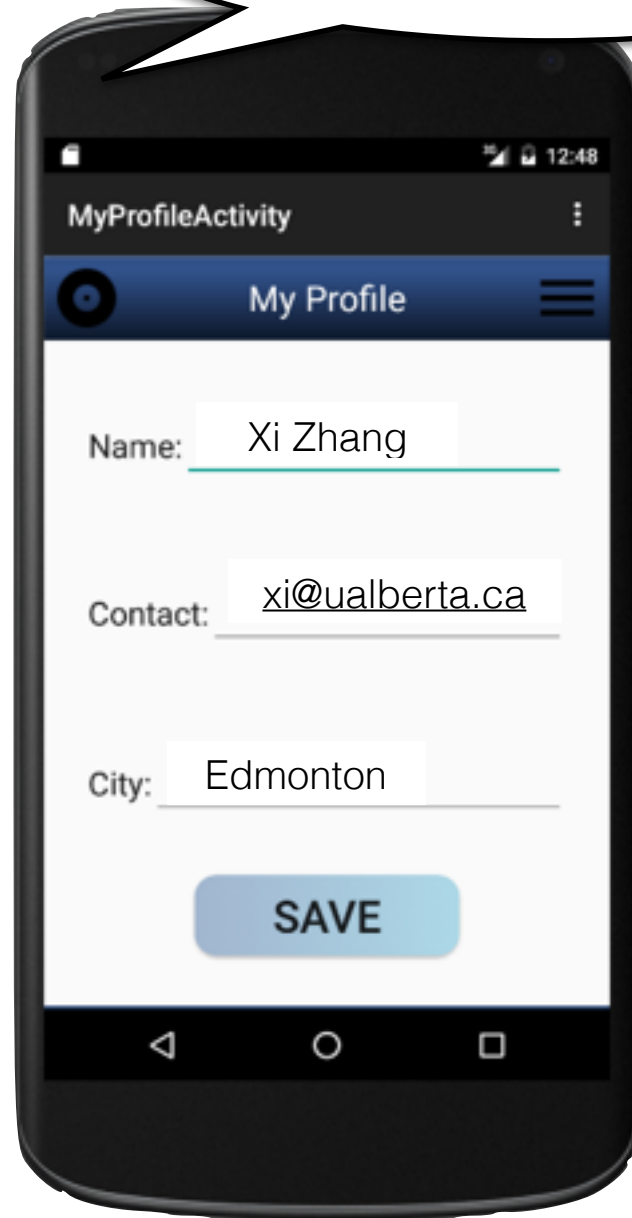

58

Let's click "CONFIG"

From here you see an editable profile. You can change your information and click "SAVE" to save your change
